

Self-Styled Liberals Oppose Protection Of Quemoy And Matsu

WASHINGTON (AP) — Forty-seven well-known Americans who call themselves liberals urged President Eisenhower today to "take immediate steps to extricate the United States and the world from the present menace of war in the Formosa Strait."

They called upon the President in such negotiations "to make clear that the United States will not commit its forces to the defense of Matsu and Quemoy and will not permit them to become a cause of war."

Mrs. Roosevelt Signs
Announcement of the telegram to Eisenhower was made by Americans for Democratic Action, which said the signers acted as individuals. ADA, claiming 45,000 members, calls itself an "independent, anti-Communist political organization" dedicated to the cause of liberalism.

Among those listed as signers were Mrs. Franklin D. Roosevelt; Norman Thomas, veteran Socialist leader; W. P. Kennedy, president of the Brotherhood of Railroad Trainmen; author-commentator Elmer Davis; Mrs. India Edwards, vice-chairman of the Democratic National Committee; Dr. Reinhold Niebuhr, Union Theological

Seminary; the Rev. John Baynes Holmes, former pastor of Community Church, New York; Lloyd K. Garrison, New York attorney; Benjamin V. Cohen, former State Department adviser; and Harvard professors Zechariah Chafee Jr., Seymour E. Harris, Alvin Hansen and Arthur M. Schlesinger Jr.

Islands Not Essential
Affirming their support of U. S. pledges to help defend Formosa and the Pescadores against any Chinese Communist attempt to invade Chiang Kai-shek's Nationalist refuge, the 47 signers said the case of the offshore islands of Matsu and Quemoy is quite different. "We submit that the islands over which this threat arises are inseparable from the Communist mainland by reason of their situation and, as you observed some months ago, not essential for the defense of Formosa and the Pescadores," the telegram said.

The Eisenhower administration has declined to make any declaration now on whether it will help defend Matsu and Quemoy if the Communists carry out threats to seize them from Chiang. It has been said they will be defended if any assault on them appears to be a prelude to an attack on Formosa.

Las Vegas Publisher Freed Of Inciting McCarthy's Murder

LAS VEGAS, Nev. (AP) — Hank Greenspun, Brooklyn-born publisher with a touch of Western maverick in his editorial makeup, was freed today of a federal charge of mailing matter tending to incite the murder of Sen. Joseph McCarthy R-Wis.

A jury of six men and six women acquitted the 45-year-old publisher and columnist of the Las Vegas Sun Monday night after 2 hours 45 minutes deliberation. Jury Foreman Gail Andres said "there was never any doubt in our minds" that Greenspun's fiery column posed no threat to McCarthy's life. The jurors, however, had to wade through a long list of technical instructions.

Press Freedom Involved
Greenspun, stormy petrel of Nevada journalism, hailed the verdict as an affirmation of freedom of the press.

Said the publisher Monday night: "This proves the people of Nevada will not tolerate any attempt to curbs on their sacred rights of freedom of the press and freedom of speech."

The verdict closed a five-day trial. The jury obviously was convinced by the closing two-hour speech of Edward P. Morgan, Washington, D. C., mayspring of Greenspun's four-man legal staff.

Morgan used Greenspun's words from the indicted column of Jan. 8, 1954, plus many of his own, to lambaste McCarthy and McCarthyism.

"Hank was out there calling this monster what he is long before it was popular to do it," Morgan said.

Hemingway Quoted
The attorney repeated Greenspun's printed description of McCarthy as a "disreputable pervert" and said the publisher had evidence to back it up.

Sen. McCarthy could not be reached in Washington for comment on the attorney's statement. Morgan declared in his court statement that Ernest Hemingway, in an article in Look Magazine last year, had suggested that "the best thing for Joe probably was a high-powered bullet through the brain," but that no legal action had been taken against the author.

Both Morgan and U. S. Dist. Atty Madison B. Graves referred to the Bible in interpreting the start of the harsher section of the column: "Live by the sword and you die by the sword."

Smear Technique Rapped
From there, it went on: "Destroy people and they in turn must destroy you: The chances are that McCarthy will eventually be laid to rest at the hands of some poor innocent slob whose reputation and life he has destroyed through his well-established smear technique."

"The poor victim will feel he has little left to live for, so he'll get a gun and blast Joe to hades," "Really, I'm against Joe getting his head blown off, not because I do not believe in capital punishment or because he does not have it coming, but I would hate to see some simpleton get the chair for such a public service as getting rid of McCarthy."

Wife Sneaks Ride; Ruins Car And House

OKLAHOMA CITY (AP) — A 33-year-old housewife slipped the family automobile out of the garage Monday while her husband was working and went for a spin. She was jailed for reckless driving after the car went out of control, smashed up a five room house and narrowly missed hitting a woman taking an afternoon nap. The vehicle was demolished.

The woman also was charged with failure to have a state driver's license. Her husband said he didn't know his wife could drive.

TODAY'S CHUCKLE

"You were married in a cage of lions?"
"Yep."
"Exciting?"
"Was then. Wouldn't be now."

Red China Being Subverted By The U. S., Chou Charges

McCarthy Gets \$1000 Refund On His Income Tax

WASHINGTON (AP) — The Internal Revenue Service was understood today to have cleared Sen. McCarthy's income tax record after a detailed investigation of his finances.

Various informed sources reported Monday night the Wisconsin Republican had been granted an income tax refund for the years 1946-1952. One report said the refund was \$1,056. Another version placed it at \$1,046.75.

Comment Held Back

In Des Moines, Iowa, State Department Security Chief R. W. Scott McLeod, a friend of McCarthy's, said he had been informed that T. Coleman Andrews, Internal Revenue commissioner, had notified McCarthy last Friday that he had a refund due him. McLeod said he understood it is over \$1,000.

The revenue service refused to comment on the McCarthy case. McCarthy declined to be quoted on the matter in advance of a late afternoon news conference which he billed as a report "to the people" on an Internal Revenue investigation that began in the fall of 1952.

No Laws Broken

A Senate elections subcommittee raised question's about McCarthy's financial affairs during a 1951-1952 investigation. However, the subcommittee did not attempt to answer those questions, saying in its report that McCarthy had declined to testify on his finances.

The matter was turned over to the Internal Revenue Service which then began its long investigation. The subcommittee report also went to the Justice Department. In October 1953 Atty. Gen. Brownell said his department had found nothing to show that McCarthy had broken any laws.

Storm Damages Lansing Theater

(By The Associated Press)
Thunderstorms borne by high winds and often filled with hail raked southern Michigan over night, but a threat of tornadoes passed without materializing.

Storm damage apparently was light and no injuries were reported. A whipping wind blew in a 20x35 foot section of a Lansing Theater's back wall at 11:30 p.m. 45 minutes after the last patron had left. Bricks tumbled on the stage and combined with the winds and rain did at least \$1,000 damage to it and the screen.

Temporary power and communication failures were general. Some were caused by lightning; others by wind or falling limbs.

A tornado warning came from the U. S. Weather Bureau at 12:30 a.m. today, but was lifted at 3:15 a.m. No twisters were reported. The warning covered a belt of 40 miles on either side of a line running from Battle Creek to Mt. Clemens. The zone included Port Huron, Flint, Jackson, Lansing, Pontiac and Detroit.

Grand Rapids reported that high winds, accompanied by hail and lightning, caused many power failures over Kent County.

New Walkout Adds To 50,000 On Strike

(By The Associated Press)

A new walkout added 9,000 persons to the nation's already more than 50,000 workers on strike today as Southern governors stepped in hoping to succeed where federal mediators have not.

Nine thousand CIO Electrical Workers struck the Sperry Gyroscope Co. plant at Lake Success, N. Y., despite a federal mediator's request that they continue working during negotiations.

There were already 23,000 CIO Textile Workers on strike against six New England companies operating 24 mills, and some 30,000 employees of the Louisville and Nashville Railroad have been off the job, some since March 14.

A meeting of governors was scheduled in Nashville, Tenn., today in hopes of settling the railroad strike and also CIO Communications Workers strike against Southern Bell Telephone & Telegraph Co. which have affected nine Southern states.

Just what procedure the governors will adopt was not clear. The walkouts have cost the South millions of dollars in undelivered freight and lost salaries. Strike violence has marked each passing day.

Two operating unions — the Brotherhoods of Railroad Trainmen and of Locomotive Firemen and Enginemen—joined the strike of 10 nonoperating brotherhoods Monday.

The L & N demands that the union end the strike at once and arbitrate only on health and welfare recommendations made last summer by a presidential emergency board for all railroads. The unions refuse to return to work until an agreement is signed and contend that arbitration should cover all original union demands.

Judge Describes Red Court Plot

DETROIT (AP) — Federal Judge Harold R. Medina has described the strategy of the American Communist Party during the 1949 New York trial of 11 of its leaders as "a demoniacal plot to break me up."

The defendants, their counsel and the party staged a "psychological campaign to drive me crazy" during the nine-month trial Medina told the Detroit Economic Club Monday.

He said that prior to the trial he had considered Communists' a bunch of roughnecks who wanted to divide up our property and have a good time with it.

"I know now," he said, "that they are capable of the most diabolical scheming man ever conceived."

The 11 Reds were convicted of advocating the violent overthrow of the federal government. Their conviction later was upheld by the Supreme Court.

"I began the trial," Medina said, "thinking I could handle it like any other—calmly, judiciously, patiently. I soon realized I was in for the time of my life."

Medina said the real issue of the trial was: "Was the American system of fair trial equal to the task of trying Communists?"

Communist pickets, he said, chanted obscenities as they marched under court room windows during the trial.

Medina said he went into his chambers daily when the pressure mounted "praying to God for that day's allotment of courage and patience to carry the trial through."

Falling Window Hangs Boy Near Kalamazoo

KALAMAZOO (AP) — Richard Henry Lemmer, 5, of near Kalamazoo, was hanged accidentally Monday in a freak home accident.

The boy was climbing through an open window in a garage behind his parents' home to see his pet turtle when the window fell down across the back of his neck, trapping him between the window and the sill.

Cooperation Speeds Polio Vaccine For Michigan Children

LANSING (AP) — In an unprecedented burst of political cooperation, the Republican-controlled Michigan Legislature and Democratic Lt. Gov. Philip A. Hart worked together today to provide Salk polio vaccine for all children regardless of their parents' wealth.

Their goal was vaccination of one and a quarter million children under 10-years of age outside of the first and second graders who will get free vaccine from the National Foundation for Infantile Paralysis in community clinics.

Politics Set Aside
Although the matter had been discussed tentatively by Republican Senate leaders last weekend, Hart set the ball rolling Monday by calling in some of those leaders for a conference.

He told them "this is not an administration program. I am sure the Republicans are just as concerned as we are that we come up with the right answer to an admittedly difficult problem."

Hart first proposed the state appropriate one million dollars to buy the Salk vaccine and allocate it to local health departments under a system of priorities. He said this would not do the entire job but would provide all the vaccine the state could obtain.

Cost Reduced
Later Dr. Albert E. Heustis, state health commissioner, reported conversations with pharmaceutical companies.

(Please Turn To Page 6, Col. 3)

World Invited
"We have no proposals," Chou asserted. "China could raise the question of the liberation of Taiwan (Formosa) and the neighboring islands. We could have made criticism of the unfair treatment of China in the United Nations but we are not going to do that."

Aside from the charge of U. S. subversion, most of Chou's speech followed a conciliatory line, emphasizing that he was not interested in subversive activities but instead is being "subverted by the United States of America."

"If you do not believe this," he told the delegates, "then you can send representatives to China and take a look. You are all welcome."

Chou continued: "We do not hide the fact that we believe in communism. But this is not a meeting to discuss ideologies but to seek a common ground and not great divergencies."

Communist China, he said, had come to Bandung ready to comply with the decision of the sponsoring nations, and not to raise other questions.

(Please Turn To Page 6, Col. 4)

Detroit Has Hint Of Gray Market In Polio Vaccine

DETROIT (AP) — The Detroit Free Press said today that a gray market in Salk polio vaccine has appeared in Detroit.

"Almost anybody with the proper 'connection' could obtain at least a three-shot supply — even before it began going to the city's first and second grade children under the auspices of the National Foundation for Infantile Paralysis," the newspaper said.

The Free Press said it learned from two local druggists and a physician that the vaccine is available in Detroit to those who are willing to pay the price. Neither the druggists nor the physician were identified.

Six pharmaceutical companies across the country are producing the vaccine.

Five, including Park Davis & Co. in Detroit, said their entire output to date is being supplied under contract to the National Foundation for Infantile Paralysis, to be used in inoculating first and second graders. One firm, Cutter Laboratories of San Francisco, implied part of its output already is going to commercial outlets for doctors.

Chou had other tough words about the United States. He declared Communist China was not interested in subversive activities but instead is being "subverted by the United States of America."

"If you do not believe this," he told the delegates, "then you can send representatives to China and take a look. You are all welcome."

Chou continued: "We do not hide the fact that we believe in communism. But this is not a meeting to discuss ideologies but to seek a common ground and not great divergencies."

Communist China, he said, had come to Bandung ready to comply with the decision of the sponsoring nations, and not to raise other questions.

Utah's Snow Tinted; Salt Flavors Rain

SALT LAKE CITY (AP) — Parts of Utah were bathed in mud and salt during a weird weather sequence Monday.

The ski resorts of Alta and Brighton, high in the Wasatch Mountains, were covered by a Chocolate-colored snow.

A heavy south wind, with velocities topping 45 miles an hour, preceded the grimy rain and snowfall. It tumbled several wooden buildings into heaps of wreckage on the shore of the Great Salt Lake.

An 85-year-old woman was knocked from her feet by the wind in downtown Salt Lake City, breaking her hip and wrist.

The wind whipped up dust from newly plowed fields in southern Utah. As the dust spread north, visibility lowered at times to a quarter of a mile.

Later rain came. The dust particles in the air clung to the rain drops, then spattered grimy everywhere. Automobile windshield wipers only spread the mud across the glass. Police reported a number of mishaps, none serious.

Salt from the desert near the Great Salt Lake was lifted into the air by the wind, only to return to the earth in the rain. The mixture caused several short circuits in Salt Lake City by coating insulators on power poles, then conducting the electricity to the wooden cross-arms.

Late Monday night the rain turned to snow in the valleys. By that time the rain had cleansed the dust from the air and the moisture in the snow helped wash away much of the grime which had coated cars and buildings.

(By The Associated Press)

Storms which lashed wide areas of the Midwest Monday night diminished today but there was rain and thundershowers over the central part of the country.

Thundershowers continued during the night from southern lower Michigan southward into northeast Indiana and most of Ohio but no severe storms were reported. Rain or drizzle fell in the extreme northern and eastern parts of the Great Lakes region.

A tornado which swept across rural areas in northern Illinois, cut an eight-mile path between Lanark and Shannon, destroyed several buildings, uprooted trees and toppled power lines. No injuries were reported. Some livestock and hogs were killed.

The storm also hit Chicago, with 40 mile an hour winds and gusts up to 63 miles an hour. The city's North Side and northern suburbs were heaviest hit. The storm struck after a record April 18 temperature of 83 degrees.

Strong winds, with rain and hail, also swept areas in Iowa and southern Wisconsin.

World Leaders Pay Tribute To Albert Einstein

PRINCETON, N. J. (AP) — Leaders of nations, diplomats and scientists today mourned the passing of celebrated physicist Albert Einstein as one of history's great men.

From all walks of life poured messages of tribute for the 76-year-old genius who died Monday of a ruptured aorta and hardening of the arteries.

Hours after Einstein's death, his body was cremated without funeral services. But, seeking to further medical science even in death, he left his brain and other vital body organs to research.

Brain Left To Science

It was through his theory of relativity and his work in nuclear fission and electronics that the atom bomb was made possible.

Many national and international leaders have been invited to a public memorial tribute to Einstein, set for Sunday night at New York's Carnegie Hall.

The small, bushy-haired Einstein left his brain to Dr. Harry Zimmerman, director of laboratories at Montefiore Hospital and a professor of pathology at Columbia University.

Although Einstein's life centered around science, he was vitally aware of world conditions. In fact, Prime Minister Nehru of India received a letter only recently from Einstein in which the latter offered proposals for a five-year truce in the cold war.

Saw Doom In War

The letter was disclosed by a member of the Indian delegation to the Asian-African conference at Bandung, Indonesia.

Einstein's letter proposed that statesmen be allowed to formulate a long-term substitute for war. He warned, the spokesman said, that the world would be destroyed by weapons of mass destruction if man failed to find a method of living in peace.

Nehru was among the many who voiced personal sorrow over Einstein's death.

Similar messages came from President Eisenhower and former President Truman.

Britishers Get Income Tax Cut

LONDON (AP) — The government announced today a cut in income taxes.

The basic rate will be 42½ per cent of taxable income instead of 45 per cent.

R. A. Butler, chancellor of the Exchequer, also announced increased allowances in tax-free income. The tax-free allowance was increased \$56 to \$392 for a single person and \$568 to \$672 for a married couple. Allowances for children also were increased.

Butler made the announcements in presenting his budget to the House of Commons, barely a month before next month's general elections.

The income tax cut is the second announced by a major country in the last month. Canada is reducing its basic rate by 10 per cent, effective July 1.

Butler also announced the purchase tax basic sales tax is being reduced from 50 to 25 per cent for cotton, rayon and linen textiles. This action is designed to aid the Lancashire textile industry, hard hit by Japanese and Indian competition.

Butler said the government's total revenue for the 1954-55 fiscal year amounted to 4,738,000,000 pounds (\$12,566,400,000). This was 205 million pounds (\$574 million dollars) more than he had estimated.

Singing Star Robbed

Pictures Speed Tree Inventory

Modern business machines and aerial photography are speeding up inventories of federal forest lands in the Upper Peninsula, Escanaba Kiwanis Club members were told Monday by Paul St. Amant, assistant forest supervisor in this district. Foresters have become land managers rather than mere custodians, Mr. St. Amant pointed out, and the land inventories developed by means of pictures, maps and statistics provide the basis for laying out a program for forest use and control.

Land uses in the Hiawatha and Marquette national forests include promotion of wild life, recreation, and timber production, the speaker explained, although he confined his discussion mainly to the timber phase of the program. Little virgin timber remains in this area, he said, but the cutover land with forest plots in various stages of growth provide a continuous source of supply. From the standpoint of employment, small-sized timber is now more valuable than the old pine forests.

Combining the infra-red aerial photography with formulas and fast computing machines, the forest service is now able to produce in months a cruiser inventory which formerly would have taken years to complete by manpower and old methods, Mr. St. Amant asserted. Mapping in Chippewa and Mackinac counties has been completed, and it is expected that the entire project covering Delta, Alger and Schoolcraft counties will be done by about July 15.

The timberlands are classified by types, volume, woods conditions and rate of growth, and from these figures business machines compute valuations and other data on which management plans are based. Loggers are a link in the program, and selective cutting is essential in efficient and economical use of forest lands, St. Amant said.

The speaker was introduced by Emil Christensen, program chairman.

Briefly Told

Preachers' College — The Rev. Joseph S. Dickson, rector of St. Stephen's Episcopal Church, is in Washington, D. C., this week attending sessions of the College of Preachers at Episcopal Cathedral. Rev. Dickson's family accompanied him on the trip to the East.

Frankfort To U.P. State Ferry Project Explained

The advantages of a state ferry linking the two Michigan peninsulas between Frankfort and Menominee were outlined Monday noon to the Escanaba Rotary Club by Menominee boosters of the proposal.

Speakers presenting the proposal to the Rotarians at their luncheon meeting at the Delta Hotel were William VandeHei, member of the Menominee Chamber of Commerce special ferry committee; and A. T. Guy, past president of the Menominee Chamber of Commerce. John Reindl, Menominee Chamber of Commerce secretary, accompanied them to Escanaba.

Horace Provo of the Escanaba Rotary Club's program committee, introduced the speakers.

Ask State Survey

VandeHei reported that inception of the Frankfort-Menominee state ferry plan dated back to 1927 and that the legislature is being asked to approve the use of \$20,000 in state highway funds to finance a survey to determine the feasibility of the proposal and recommend a ferry route. The Menominee Rotary Club was credited by VandeHei with inception of the project.

In the legislature the House has passed the bill for the survey to be made by a legislative committee, and it has yet to be passed by the Senate, VandeHei said. Many communities, organizations and individuals have endorsed the proposal as of benefit in extending a Michigan highway route between the state's two peninsulas. The Menominee Chamber of Commerce proposal is to use three of the larger state ferries now at the Straits of Mackinac on the Frankfort - Menominee run when the Straits bridge is completed.

Sixty-mile Route

Mr. Guy said the proposed legislative survey will determine the

"LITTLE" MIKE'S

On South 10th St.

Roger King, 30, Of Rapid River, Drowns

Roger King, 30, of Rapid River, drowned last night while fishing in Little Bay de Noc at Masonville. His body was recovered this morning at 9:30 by Gunnar Nelson of Masonville.

King was fishing with Arnold Micheau, 37, and Howard Micheau, 35, both of Rapid River. The three men went fishing at three Monday afternoon and after fishing several hours the men went into Rapid River for supper. They returned to Masonville and had been fishing only a short time when the

fishing lines of King and Arnold Micheau became entangled. King stood up in the boat in an effort to separate the lines and as he did so, he toppled into the water.

The Micheau brothers tried to reach King with an oar but the boat drifted away. When they swung the boat around, King had disappeared. He never resurfaced. The accident occurred at 7:15 p. m. and darkness prevented a search for the body last night.

The Delta County Sheriff's Department and volunteers began dragging for the body this morning and at 9:30 the body was recovered by Gunnar Nelson of Nelson's Boat Livery, Masonville.

King was unmarried. He was employed by the Delta County Road Commission.

He was born in Rapid River May 19, 1924, the son of Mr. and Mrs. Julius King. He attended grade school and high school in Rapid River and served five years with the U. S. Army in World War II. He was overseas in the Pacific Theatre, serving in the Philippines. He was a member of Walter Cole Post, American Legion, Rapid River.

Survivors include his parents, five brothers and four sisters. The brothers are Julius Jr., Gwynn; Robert, Gladstone; Delore, Edsall and David, Rapid River. The sisters are Madeline, Rapid River; Mrs. Lawrence Roberts (Elma), Princeton; Arabelle and Donna King, Rapid River.

The body was removed to the Skradski Funeral Home but funeral arrangements have not been completed.

Citizenship Given To Five

Five women, residents of Delta county, were granted citizenship at a hearing before the Hon. Glenn H. Jackson in Delta County Circuit Court this morning.

The applicants had previously been investigated by Vincent D. Borg, of Sault Ste. Marie, naturalization examiner for the U. S. Immigration department, and on his recommendation and Judge Jackson's consent, they were sworn in.

After a brief address by the judge pertaining to the duties of citizenship, the formalities were over.

Following are the new citizens, their former place of residence and their present home: Hilma Elfrida Hanson, Norway, present residence R. 1, Cornell. Jennie Bauerle, Canada, present residence, Rapid River.

Josephine Barak, Yugoslavia, present address, R. 1, Gladstone. Visitation Lucier, Philippine Islands, present address, Gladstone.

Chiko Yamada Randall, Japan, present address, R. 1, Gladstone.

Inspector Borg states that of late years, since World War II and the Korean conflict, women applicants for citizenship have greatly outnumbered the men, but hearings where applicants are all women are uncommon.

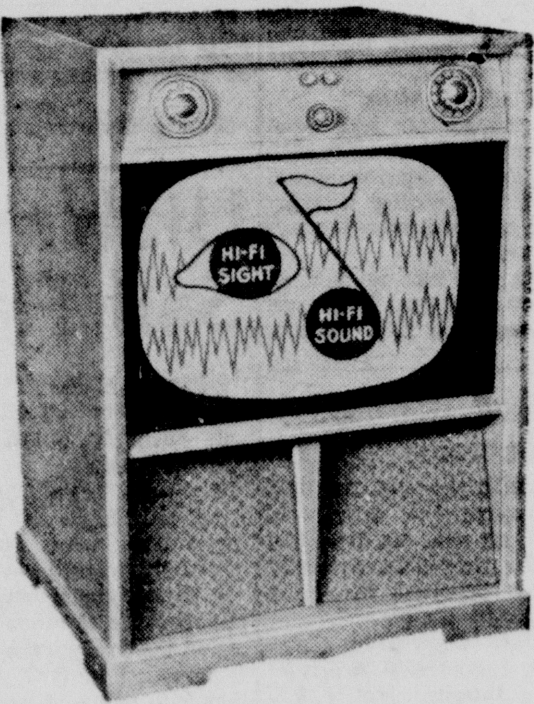

here this coming year, it was learned yesterday at the office of Supt. Wallace C. Cameron.

In some countries where salt is scarce, bars of it still are used as currency.

ADVENTURE!

In the year 1866, American gunfighters and adventurers rode into Mexico seeking fortunes as paid fighters in the Mexican revolution against Emperor Maximilian. Against this turbulent background, Trane, a tall, lean, ex-Confederate Army officer comes face-to-face with Joe Erin, a hard-bitten leader of a gang of gunslingers. Both men have guns for hire ... to the highest bidder!

Husband Of Former Escanaba Woman Dies In Minot, N. D.

Word has been received telling of the death in Minot, N. D., of Ed Henjum, 67, husband of the former Nellie Martens of Escanaba. Mr. Henjum, who was a barber by trade, died Sunday afternoon of a heart ailment. Mrs.

Henjum was taken by death Nov. 15, 1954.

Mr. Henjum was a brother-in-law of Mrs. A. J. Beery and Mrs. Mary Morris of Escanaba. He is survived by nine children. Funeral services will be held Wednesday in Minot.

In the last 10 years, use of coal by U.S. railroads has fallen from 132 million tons a year to 20 million tons.

Here's RUBBER-LATEX PAINT In The COLOR You Want, The QUANTITY You Want With NO MESSY MIXING PAILS!

When you insist on Jewel Colorizer Rubber-Latex Paint, you don't have to intermix various cans of paint to arrive at your color. And you can buy the exact quantity you need...you don't end up with costly "left-overs."

What's more, Jewel Colorizer Rubber-Latex Paint offers you the greatest basic color selection available anywhere in Rubber-Latex Paints. You can get the paint color of your choice without waiting—right over the counter.

Yes, here's every desirable quality you want in a Rubber-Latex Paint—toughness, durability, extra-quick-drying, no "painty" odor, scrubbable, easily applied with brush or roller. And remember...

JEWEL Colorizer RUBBER-LATEX PAINT

...is the ONLY Rubber-Latex Paint available in the broad selection of Colorizer colors—and in the EXACT quantities you need!

DAV Will Hold U. P. Meeting Here Saturday

An Upper Peninsula zone meeting of the Disabled American Veterans and Auxiliary will be held in Escanaba on Saturday, April 23, with all DAV Chapters and Auxiliaries of the Upper Peninsula represented.

Registration will begin at 10:30 a.m. at the City Hall. A joint meeting of Chapters and Auxiliaries will be held at 1 p.m., followed by individual meetings of the units, with a Chapter Zone meeting at City Hall and Auxiliary meeting at Eagles Hall.

Junior Vice Commander William L. Peters of Escanaba, Department of Michigan, will conduct the afternoon zone meeting.

Guests present will include John Kruse, commander of the DAV, Department of Michigan; Harold Revord, DAV national service officer; Mrs. Sarah Anderson, commander of the Department of Michigan Auxiliary; and former Congressman Frank Hook of Ironwood.

Other state officers to be present will be Hubert Burgess of Iron Mountain, finance officer; Mrs. Burgess, past commander, Department of Michigan Auxiliary; and Albert Massey, Sault Ste. Marie, state personnel board officer.

The evening program will include a banquet at the Eagles Hall, to be served to more than 200 DAV and Auxiliary members and their guests. Prosecuting Attorney Nicholas Chapekis will be toastmaster. Speakers will include State Commander Kruse of Manistee, State Auxiliary Commander Sarah Anderson of Fremont, and Atty. Wheaton Strom of Escanaba. The guests will be welcomed by Al LaFave, commander of Escanaba Chapter No. 24.

All disabled veterans and their ladies are invited to attend the meetings and the banquet. The event is in preparation for the annual state convention of the DAV to be held June 10-12 at Benton Harbor. Dancing and entertainment will follow the banquet.

Song Writer Pays Father's Debt Of \$300,000 To 500

SAVANNAH, Ga. (P)—There's a good reason nowadays for song-writer Johnny Mercer to whistle a merry tune. He's fulfilled an ambition of long standing — at a cost of \$300,000.

The Hollywood songwriter deposited a check for that amount Monday in a Savannah bank to pay off about 500 persons who invested in a real estate and insurance firm owned by his late father, G. A. Mercer.

The company failed 28 years ago.

FARM BUREAU COMMITTEE in Delta County is pictured above. Seated, left to right: Mrs. George Williamson, Mrs. Clarence Sundquist, secretary-treasurer; Clayton Ford, chairman; Edwin Bergman, vice chairman; standing, left

to right: Clarence Sundquist, Mrs. Edwin Bergman, Harold Woodard, Mrs. Howard Schire, George Williamson, Mrs. Harold Woodard, Wesley Hawley, Clayton Ford, Mrs. Wesley Hawley and Howard Schire.

Farm Bureau Being Formed In County

Organization of the Delta County Farm Bureau has been started by Wesley S. Hawley, coordinator of the Michigan Farm Bureau, who has established his residence and office at 1806 Ludington Street, Escanaba.

Delta County will be the first Upper Peninsula county to be organized by the Michigan Farm Bureau. Incorporation of the Delta County Farm Bureau is anticipated by November this year. Organization of the Menominee County Farm Bureau is scheduled early in 1956.

The Delta County committee was organized Saturday night as follows: Mr. and Mrs. Clayton Ford, Cornell; Mr. and Mrs. Harold Woodard, Cornell; Mr. and Mrs. Edwin Bergman, Bark River; Mr. and Mrs. George Williamson, Rapid River; Mr. and Mrs. George Williamson, Escanaba; Mr. and Mrs. Howard Schire, Cornell. Other members will be added to the committee later.

Officers are Clayton Ford, chairman; Edwin Bergman, vice chairman; Mrs. Clarence Sundquist, secretary-treasurer.

Four committee members, Clayton Ford, Clarence Sundquist and Howard Schire will accompany Mr. Hawley to Lansing next Tuesday, April 26, for a two-day visit to the Farm Bureau headquarters in Lansing and a visit to the Michigan Legislature.

Hawley has been associated with the Michigan Farm Bureau for more than 20 years and has had a leading role in the organization of 22 Lower Peninsula county farm bureaus.

For several years the Michigan Farm Bureau has received inquiries concerning the possibility of extending the organization to the Upper Peninsula, Hawley said.

Last year a study was conducted to determine the feasibility of such a move. The Farm Bureau estimates its membership potential in the Upper Peninsula at 7,000 and a potential of 795 in Delta County.

"There were \$31,000,000 worth of farm products sold in the Upper Peninsula in 1953," Hawley said. "This shows the importance of the agricultural industry in this area."

Ultimately it is planned to establish county farm bureaus in

Wesley Hawley

each county of the peninsula, all affiliated with the Michigan Farm Bureau.

Briefly Told

Car Damaged—The left side of a car owned by Nels F. Ebbesen, Bark River Rte. 1, was damaged Monday afternoon when a tall gate fell from a city of Escanaba truck, bounced and struck the Ebbesen car. The truck was driven by John DeChantel and the accident occurred at 1st Ave. N. and 11th St.

Marriage Licenses—Applications for marriage licenses have been made by John S. Sutter and Marianne Watson, both of Gladstone, and William R. Stevens, East Troy, Wis., and Marilyn E. Peterson of Iron Mountain, according to records in the county clerk's office.

Fire Call—Escanaba firemen were called to the Sunset Motel on US-2-41 at the north city limits at 11:25 a. m. today and extinguished a fire in a bed in one of the rooms. The bed had been pushed against an oil heater, causing the mattress to ignite and burning it and the bedclothes and a studio couch. The property is owned by Mrs. Doris French.

Congress Has Much To Be Done But Has Made Good Progress

IT'S an old business to look at Congress about this time every year and mutter "not much done" so far. Actually, the Easter break in 1955 found things a little better in some respects, with one especially welcome novelty.

The first session of the narrowly Democratic 84th Congress can, for instance, mark up a pretty impressive record in the field of foreign affairs.

It endorsed the Formosa resolution supporting the President in whatever moves

Words, Wit & Wisdom

By William Morris

With an uncommon degree of flattery, Miss Elsie Anderson of Oakland, Calif., writes: "I have a problem that I don't believe anyone can answer but you. It is the origin—when and where—of the slang expression 'crew cut.' A friend says it originated during World War II among the Marines. I get the impression it is rather recent, because the expression is heard so frequently on radio and is seen in print.

"However, the library, after a day of search, could find nothing but a description of a 'crew cut' or 'butch cut' or what have you . . . What's your last word on this?"

Well, my first word is that your friend with the Marine theory is wrong. And my last word is yet to come, for a long search through records available to me gives no conclusive answer as to when and where the phrase was coined. It was, I am sure, in common use during my undergraduate days some 25 years ago. At that time it referred to the close-cropped haircut affected by crew members to keep the hair out of their eyes during races. During the Thirties the style was widely imitated by collegians—largely, I suspect, for reason of economy. A crew cut will run without trimming for a fair fortnight longer than an ordinary haircut, as we well learned in those Depression times.

Another common name for this type of shearing—at least in those days—was the "whiffle." During World War II the advantages of a crew cut were obvious to many of us in service—and Army barbers soon convinced those who did not immediately appreciate its virtues!

But, as to the earliest occurrence of the term, "crew cut," I should like word from the readers. It's not yet in any dictionary yet I recall hearing it as early as 1928. Does anyone else have an earlier record of the phrase?

"I dig you the most, Sonny Boy, and your dandy defnery sounds strictly on the upbeat. Shag me a real frozen pamphlet. As a tootin' teener myself, I feel it's my devoted duty to doll a phrase now and then," writes Judy Bollen of Berkeley, Calif. "So I crave a copy of your REAL GONE LEXICON. Much gras!" Well, Judy now has her copy of this first comprehensive collection of teen-age slang. For YOUR free copy, send a self-addressed STAMPED envelope to William Morris, The Real Gone Lexicon, in care of this newspaper.

Try And Stop Me By BENNETT CERF

The New York Giants once had a deaf and dumb pitching star popularly known as Dummy Taylor who told Umpire Hank O'Day exactly what he thought of him with his fingers, but unfortunately, O'Day knew the sign language. So it cost Taylor a five-day suspension and a \$100 fine. Another arbiter once cleared the whole Red Sox bench, including Coach Heinie Wagner. "I didn't say a single word!" howled Heinie. "That's possible," admitted his umps, "but I know what you was thinking, and I didn't like it. Giti!"

Songwriter Ballard MacDonald confided to Harry Hershfield, "I made thousands of dollars out of my 'The Blue Ridge Mountains of Virginia' ballad before I found out that they aren't in Virginia!"

"Don't you enjoy the honking of a wild

he deems necessary to the defense of Formosa and the nearby Pescadores Islands. At the same time the Senate approved a mutual defense pact with the Chinese Nationalists on Formosa.

Of wider significance in the Asiatic region, the Senate accepted the Southeast Asia Treaty bringing friendly Asian lands into a defense pact aimed at blocking the southward flow of Chinese communism.

And, more recently, the Senate approved with rare dispatch the so-called Paris agreements pulling West Germany into NATO and authorizing German rearmament within the Western defense network. This step caps the military structure erected in Europe to bar the westward flow of Russian communism.

Important as these strides are, they do not represent the whole of the task to be done in foreign affairs this year. There is still the matter of foreign technical and military aid appropriations, with the technical aid program of especial value for the Asian area. And there is the controversial matter of liberalizing foreign trade law to allow our friends abroad to build more self-reliant economies by selling more of their output.

On domestic issues, the story thus far is not so bright. The main achievement up to Easter was a negative one—the successful beating down of the \$20 per person income tax cut which seemed unwarranted by budget prospects.

Still caught up in decisive House and Senate committee tangles are such vital programs as highway and school construction assistance. The country must hope sincerely that Democratic objections to President Eisenhower's proposals in these fields will not prevent passage of badly needed legislation. The nation's requirements for more and better schools and highways must be met swiftly. The programs deserve top priority.

Also meriting prompt attention are bills calling for substantial pay increases for postal and other federal workers, and statehood for Alaska and Hawaii. This Congress could further distinguish itself by beating down an attempt to restore rigid farm price supports.

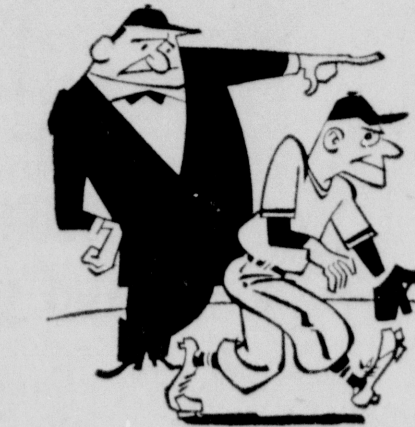

The novelty in the 84th up to now has been the relative lack of emphasis on investigations, which for some years past had begun to seem like the major business of Congress. Aside from the stock market inquiry, most of the 1955 probes have been pretty modest affairs. The restoration of balance and perspective to this congressional function is a healthy sign.

If one had to sum up as of now, the judgment probably would be: Much still to be done, but better than average progress so far.

HITCHHIKING has become the latest gimmick for politicians.

Senator Charles S. Blondy (D-Detroit), the owner of two cars and collector of a pretty handsome annual income, has been thumbing his way to sessions in Lansing since January.

"You really get to know the people that way," he said. "I'd recommend it to every public official."

goose?" said the young lady nature-lover dreamily. "Not when he's driving behind me," demurred her companion.

The Doctor Says . . .

If Child Is Behaving Badly Seek Cause of His Trouble

By EDWIN P. JORDAN M. D. — Written for NEA Service

The old saw "spare the rod and spoil the child" has died a well-deserved death. Actually, I do not agree with those who believe that a child should never be spanked or punished, but on the other hand too strict discipline is more likely to do more harm than good. Furthermore, many children who are behaving badly really are suffering from some physical disorder or emotional maladjustment for which punishment is often the worst possible treatment.

The fault is often—but not always—with the physical condition or the home or school surroundings rather than the result of willful misbehavior of the youngster.

IF A YOUNGSTER IS seriously misbehaving every effort should be made to find the cause of the trouble and remove or improve it rather than to inflict punishment.

Physical causes may be responsible for "unsocial behavior." A youngster may have a severe anemia leaving him or her with lack of pep and therefore inability to take part in the usual athletic and social activities. A condition called St. Vitus dance, or chorea, which is closely related to rheumatic fever, is a fairly common

cause of "nervousness." And there are other diseases which children get which can lead to undesirable behavior for which the underlying cause is poor health.

MENTAL OR EMOTIONAL strain are a frequent cause of unsocial behavior. Lack of sympathy and understanding on the part of one or both parents may be at fault. Quarreling between the parents produces a feeling of insecurity in almost all children and may lead them to behavior in or away from home which they would not engage in otherwise.

Too much sympathy or "mothering" may cause just as much trouble as neglect and lack of affection. Overindulgence can produce nervousness and maladjustment as readily as can neglect.

PROBABLY AFFECTION and interest on the part of the parents toward the child is more important than making mistakes on immediate problems. If a child feels the love and affection of the parents and the desire of the parents to do the right thing he will overlook the mistakes the parent makes, such as occasional unfairness in criticism or poor understanding of a current problem.

Today In Washington

By DAVID LAWRENCE

WASHINGTON—Now that the United States government has announced that it will give permission to the 76 Chinese students to go back to Red China if they wish, it may be expected at any time that Red China will release the 15 American airmen held in violation of the Korean armistice.

No "deal" has been made, and it will be officially denied that any "exchange" has been proposed by either side.

The key is to be found, however, in the words of the secretary-general of the United Nations, Dag Hammarskjold, when he said on January 13 last to a press conference in New York on his return from Red China:

"It is not really a question of negotiations. It is a question of where the ground is prepared by negotiations—that ground having partly been prepared and partly by negotiations conducted by this or that national government.

"But the final decisions, I think, will necessarily emerge as unilateral decisions in all those various ticklish cases. They will emerge as unilateral decisions and as part of a general development, more than as the result of any kind of settlement.

NO DEAL DISCUSSED

"When you talk about negotiation in the sense you (the newsmen) indicate now, you seem to have in mind this give-and-take kind of situation, which is a typical one. I have already indicated that this has not been discussed in terms of a deal, nor with any link between different problems."

Those are the carefully chosen words which a diplomat is accustomed to employ in very delicate situations. Certainly neither the Peiping government nor the United States government would wish to be placed in the position of making any kind of trade or deal. Yet if each side makes its own decision to do a certain thing—it's called a "unilateral" decision. What difference does it make so far as the end result is concerned if one government acts ahead of the other? That's the way the diplomats look at it, and, of course, the relatives of the 15 American airmen will not waste much time analyzing the words used, or the procedures, so long as the boys come back home safe and sound.

But the world may witness something significant if the American airmen are released. It will be apparent that the Red Chinese withheld these Americans from those prisoners who were ordered to be returned under the provisions of the Korean armistice just to use them as pawns in an international propaganda game.

CHINESE NOT HELD

There is, of course, no comparison between the status of the Chinese students now being allowed to take a boat home and the airmen. The students have not been held in any jail. They have been free to come and go and live a normal life except for periodic reports to the immigration service. The only reason for detaining them was that they had acquired a knowledge of atomic physics, and it was thought desirable to delay their return at least until there was an armistice in Korea and it could be determined what their status should be.

It is a fact that the Chinese students have been released to go home without exacting any conditions from the Peiping government. This may seem to be taking a long chance, as there is no obligation arising as a result of their release except the moral obligation taught by America's generous and spontaneous example. If the Red Chinese wish to earn at least one mark on the score card of good behavior in the international sense, they will seize the opportunity to do exactly what the American government did and release the airmen as a "unilateral" act.

It may be assumed that the secretary-general of the United Nations is banking on such a development. Significantly the State Department didn't even formally notify the United Nations that it had granted permission to the Chinese students to leave the country, as it was doubtless desired not to tie up the problem of the students with that of the airmen.

But the Red Chinese learn about these things over the radio and, when the students have arrived back home and there is a quiet day without an incident of international tension in the headlines, Red China's radio may reveal that the airmen have been released. Certainly the American authorities are waiting patiently for some such development to occur before long.

Mine Field

Amateur Bank Robbers Behind Big Wave Of Holdups In U. S.

OLD-FASHIONED GANG TECHNIQUE made a real bank robbery picture in St. Louis, but the bandits bungled the job. Cops surrounded

the bank, captured two. One escaped, a fourth shot himself. They failed to keep a bank official from telephoning alarm.

WASHINGTON — (NEA) — The FBI has a strange new crime wave on its hands.

Here's a typical case:

Recently a middle-aged man was riding a taxi along the main street of a large Midwestern city. He was despondent and nervously fingered a revolver in his pocket, which he intended to use to commit suicide.

However, when the taxi stopped for a red light in front of a bank the man got out a new idea. He told the driver to park and wait.

The man then strode into the bank, poked his gun at a teller, said it was a robbery and walked out with \$1,000. Outside he calmly ordered the cab driver to take him to nearby bar.

Several hours later when the cab driver heard of the bank robbery he was able to lead police and FBI agents to the man, who ended up in a psychiatric ward.

All of the strange new breed of bank robbers who are blooming this type of crime into one of the most serious law-enforcement problems of the time do not end up in a booby-hatch. But they are odd-balls who fit no specific criminal type and in most cases have had no previous criminal record before yielding to the temptation to "heist" a bank.

In the late '20s banks were almost the exclusive territory for highly organized gangs who "cased" a job for weeks before swooping in to pull the job. When the FBI moved in on this method of operation with new federal laws to back the agents it was stamped out in a few years. Today however, with the number of bank robberies each year tripled since 1950, it's the amateur who has taken over this activity. In 1950 there were 100 bank robberies in the U. S. Last year there were 307. In the last eight months, there were 386.

"This means that every bank, large and small is a potential target of the modern bank robber," says a special FBI report.

"As a general rule, however, branch banks in suburban areas, or small savings and loan associations are the favorite targets."

Pros like the notorious Willie Sutton, who is now in prison, are a rarity. Recently a well-organized gang made off with \$350,000—the biggest bank haul in history—from a New York branch bank. On this caper, the bandits operated in the classic professional manner. Mostly, however, the pattern is like that

of the heavily-made up blonde. Marjorie Darlene Hall walked into a Bank of America branch in Los Angeles and shoved a deposit slip through a teller's wicket. On it she had written:

"This is a holdup, give me all you've got, don't attract attention."

She got out with \$1839 and might have escaped capture altogether if she hadn't been seized with the same impulse about a month later in Florida. A smart teller set off an alarm and she was caught.

An investigation by FBI agents revealed that she had used part of the money to pay the tuition for her two sons in a private school. Part also went to two men with whom she was living. She got a 20-year sentence.

In her case the lack of a criminal record and the amateurishness of her method permitted her to pull off the job and escape successfully. In other cases the reverse is true.

For example, one would-be bank bandit wore a false nose to try to hide his identity. But it was so obviously faked that the teller who was the intended victim thought it was a joke and placed a penny on the counter when told to hand over all of his cash.

This so unnerved the bandit that he fled—into the arms of a policeman who happened to be passing.

One of the strangest of all bank robberies attempted last year took place in the Manufactures and Mechanics Bank of Kansas City Mo. A young man dressed in khaki clothing and wearing elaborate theatrical make-up poked a gun at a teller and demanded money.

A policeman who happened to be on the scene pulled a gun and shots were exchanged. No one was hit but the robber got out of the bank in the confusion, and raced to a bicycle he had parked nearby.

In plain view of scores of persons he stripped off his outer khaki clothing and rode off to a temporarily successful getaway. Thirty-six hours later, by tracking laundry marks on the discarded clothing, the FBI arrested him in his home in Memphis.

He was first declared a mental case and then declared sane. He got three years in jail.

To try to halt this rising tide of bank robberies, not only confined to screwball first-timers, the FBI is having special confer-

DEPOSIT SLIP NOTE was used by Marjorie Darlene Hall in wave of bank holdups. But her luck ran out in Florida stickup.

WINDOW WASHER POSE flopped in holdup try in New York, for which Salvatore Di Bella was arrested as suspect.

TELLER'S FRANTIC WAVE failed to shake aglomb of John Cavaluzzi who got \$7000 in New York, was nabbed out west.

ences around the country. They are being attended by representatives of banks, other financial institutions, insurance companies and local law enforcement officers.

In addition, the FBI appeals to every citizen to be alert to this strange lawless development and promptly report any suspicious action to police or the FBI.

Edson In Washington

By PETER EDSON

(NEA Washington Correspondent)

WASHINGTON—(NEA)—The flap over the Swiss watch case in Washington has now reached utterly fantastic proportions.

Both the American jeweled watch manufacturers and the importers of Swiss movements are wearing injured airs of high moral righteousness in their full-page ads and press releases to injure each other. But what this has boiled down to is international cutthroat business competition.

It is a long economic warfare that goes back to the days when wrist watches were invented, and the alert Swiss began to capture the American market.

The last chapter began in July, 1954, after a U. S. Office of Defense Mobilization committee recommended protection of the American jeweled watch industry skills as essential to American national defense. President Eisenhower then approved increases of up to 50 per cent in tariffs on Swiss watch movement imports.

PRESIDENT TRUMAN HAD ONCE refused to grant such an increase. So the Swiss importers immediately began a publicity counterattack to upset the Eisenhower decision.

First move was to secure release of a 1952 Department of Defense report which declared that the American jeweled watch industry needed no "special nor preferential treatment." In 1951 the American jeweled watch industry had produced a record three million movements and seemed to be solidly on its feet.

But by 1954 production had fallen to 1.7 million movements. The prospects for 1955 production were even lower. It was feared that Waltham, one of the four American producers which had been in trouble for years, might fold. The Waltham plant in Massachusetts and the Bulova plants on Long Island, N. Y., were also found to be in potential bomb target areas.

On the basis of these findings, the ODM committee of Defense, State, Treasury, Commerce and Labor Department secretaries reviewed the situation. They recommended that American jeweled watch production be supported at a minimum of two million movements a year to preserve the skills of 4000 watchmakers needed for national defense.

THIS DECISION CONFIRMED a National Security Resources Board recommendation of 1952, when the Democrats were still in control in Washington. Watch importers' representatives, however, immediately set up a yak that the new ODM decision and the Eisenhower tariff action were prejudicial.

It was pointed out that Gen. Omar Bradley, now head of Bulova's research, had been chairman of the Joint Chiefs of Staff and was a close friend of Ike's. It was pointed out that Marx Leva, former Department of Defense chief counsel, was now counsel for Bulova. And it was further mentioned that the law firm of Louis Johnson, Truman's Secretary of Defense, was counsel for the American Watch Manufacturers' Assn.

How all these Democrats could be expected to get favors from a GOP administration wasn't explained, and didn't make sense.

BUT THE PLOT WAS THICKENED by assertions that Secretary of Commerce Sinclair Weeks and President Eisenhower's former special assistant in charge of National Security Council affairs, Robert Cutler, were both New Englanders with an interest in Waltham.

Just how much influence they had is shown by the fact that Secretary Weeks had recommended that the American watch industry production be kept at three million units a year. He was voted down in the ODM committee and the figure was kept at two million.

When Department of Commerce opened an exhibit of American watch industry defense products, however, the Swiss industry spokesmen took it as another sign of discrimination against them.

The six months that have elapsed since the tariffs on Swiss watches were raised have not provided a fair measure of the effects on American or Swiss watch industries. But the campaign now being waged for control of the multimillion-dollar U. S. watch market with bitter personal attack on American officials is an indication of the high stakes in this international trade war.

BARBS

By HAL COCHRAN

Isn't it funny how the most beautiful girl in the world can be in so many places at the same time?

Autos run from 10 to 20 miles on a gallon, and you never know what on a pint—with too much alcoholic content.

State Products
Featured For
Michigan Week

The biggest selling job of 1955 is underway.

Michigan retailers, wholesalers and manufacturers are joining with the advertising industry in a gigantic Michigan Week program of promoting Michigan products.

Emphasis is being placed upon the retailers to make May 15 to 21, Michigan Week, a sales focal point for this year's theme "I'm Glad I Live in Michigan."

Russell Swaney, Wayne County chairman and one of the originators of the promote Michigan product ideas, called the program "the greatest selling project of 1955."

Maitland Irwin, assistant Wayne County chairman; Richard Cook, co-chairman of the Michigan Week retailers-wholesalers committee; Harold Schumacher, chairman of the retailers-wholesalers committee; William Doyle, of the committee; Otis Cook, organizational board chairman and Don C. Weeks, managing director of Michigan Week, met to plan the detailed campaign.

Special bulletins will be sent out by the Michigan Retailers Association. Other groups will step up activities to promote Michigan products. More than 8,000 activity guides prepared by the committee will be distributed to Michigan retailers to help in promoting ideas.

Manufacturers sales agents and manufacturers associations will join in the big push to promote Michigan products throughout all the communities in the state.

Isabella

Surprise Party
ISABELLA — Mrs. Alex Murray was honored at her home Thursday evening by her friends in observance of her birthday. Party arrangements were made by Mrs. Helmer Nelson and Mrs. Ted Sundin.

Games were played with awards presented Mrs. Pete Forslund, Mrs. Wendell Sundling, Mrs. Harvey Sundin, Mrs. Judith Strom and Mrs. Julia Sundin. The guest prize was awarded Mrs. Gust Moberg.

Lunch was served from a table centered by a birthday cake, made by Mrs. Nick Bonifas. Mrs. Murray received a purse of silver.

Family Night
Mrs. William Venette will hold family night of the Congregational Church Fellowship at her home Monday evening, April 18. Rev. and Mrs. Darrel Abbott will be in charge of the evening's program. Members and friends are welcome.

Briefs
Mr. and Mrs. Nick Bonifas were Thursday evening dinner guests of Mr. and Mrs. Jack Elbi at Manistique.

Miss Patsy Moberg and her fiancé, Gilbert Johnson, will arrive Saturday to spend the weekend at the home of her parents, the Gust Mobergs.

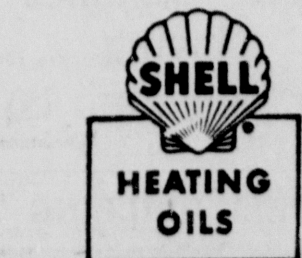

MUSTN'T TOUCH!
ALBUQUERQUE, N. M. (AP) — An embarrassed tourist explained to firemen she was just showing her children what not to touch on an alarm box, opened the small glass door, and the alarm went off. Firemen of three trucks concluded the explanation.

SHELL
Announces
Free Protection
For Customers'
Oil Storage Tanks

Your heating oil storage tank faces a big danger—RUST which forms inside the tank as a result of accumulation of moisture.

Rust spells trouble. It causes costly leaks.

That's why we put Shell SONITOR in every customer's storage tank. Sonitor is a new chemical product that protects against rust and corrosion. Sonitor not only stops old rust from spreading, but prevents new rust from forming. This is a free service for all our customers who use Shell Furnace Oil. We'll be glad to include you, too—just give us a ring.

Spanish Bullfighting
Industry Has Slump

By HAL BOYLE
MADRID (AP) — Leaves from a touring notebook:

The bullfighting industry in Spain is in somewhat the same unhappy plight as the boxing industry in America.

The cash customers complain they never know when they will get a good show for their dough. The aficionados yearn for the good old days here, just as the fight fans back home sigh for the time when Jack Dempsey, Benny Leonard and Mickey Walter were in their prime.

Becomes Immortal
They sigh for another matador like Manolete, a legend of bravery and skill. Manolete was fatally impaled on the horn of a bull in its death lunge after he had delivered it a mortal sword thrust. Because "he killed the bull and the bull killed him" he has become an immortal in Spain's bullfighting annals.

"At the time Manolete went into the ring he was worth \$3,000,000," one aficionado said. "Young matadors today don't want to risk his fate. They want to get rich quick and retire or become a movie star."

Although soccer is a far more popular sport than bullfighting here, it would be a mistake to conclude that the art of bullfighting is on the way out in Spain.

The true aficionado may grouse about the decline in the quality of

the matadors, but the sport still draws him.

It draws tourists, too. It is estimated that tourists make up at least half the gate at bullfights in Madrid.

The fighting bull is as old as the soil of Spain, and for more than two centuries he has been intensively cross bred to create an animal aristocrat of the pasture until he is four or five years old, his prime fighting age.

Tested For Bravery
He comes to the crossroads of his brief life at the age of two. In the "lenta" he then is subjected to his first test of bravery. A man on horseback goads him repeatedly with a stick. The number of times he counterattacks, in spite of his wounds, is registered in a book.

If he shows excessive bravery he is kept for breeding purposes, and never enters the fight ring. If he shows cowardice, he goes to the slaughterhouse right then, and fetches a price of only about \$75.

Recently matador Domingo Ortega, himself owner of a famous ranch, pleaded in a lecture that a bull who had fought exceptionally well should be saved and returned to pasture for breeding purposes.

The public generally resented Ortega's plan. In Spain the "luck of the killing" is regarded as the crucial moment in the drama of a bullfight. The bull must die to complete the symbolic struggle of man's skill triumphing over the force of brute courage.

Prominent author Rupert Hughes
talks from personal experience...

"How you can
be young in thought
and action about
your hearing loss"

"If you need a hearing aid, I hope you are not hesitating because you have the mistaken notion that it might make you look older."

"Actually, a hearing aid will help you to look, act and feel years younger."

"If that seems surprising, have you seen yourself—as others do—with your face showing the strain as you try desperately to hear? Have you noticed yourself losing confidence and enthusiasm? . . . withdrawing deeper into a hollow shell of suspicion and loneliness?"

"All this is the tragic result of not being able to hear properly. It places a burden on family and friends, robs you of happiness and opportunities, makes you old before your time."

"Don't let it happen to you! Years ago, I brightened my life with a Zenith Hearing Aid, and I have been thankful ever since. If you want to be good to yourself, modern and progressive, I urge you to do the same."

We are grateful to Mr. Hughes for granting us permission to place his important message before America's hard of hearing. Mr. Hughes is one of a distinguished group of authors, statesmen, scientists, executives and millionaires who can afford to pay any price for a hearing aid but wear the \$75 Zenith.

Some people who do not know the astonishing facts about hearing aid prices and quality are surprised when they learn of Zenith's widespread acceptance by those who always buy the finest. They find it incredible that Zenith Aids, selling for \$75, \$100 and \$125, are unsurpassed by others priced at \$250 to \$300 and more.

Indeed it does seem incredible! Yet the answer is simple: All makes of hearing aids cost about the same to manufacture. Highest quality Zenith instru-

Mr. Rupert Hughes, world-famous author, playwright, producer, poet, biographer, composer, veteran of two world wars, Hollywood writer, Doctor of Letters, director and commentator.

ments do not sell for \$250 to \$300—as do many others—because they do not include a high profit mark-up for so-called "selling expenses."

You cannot buy a better hearing aid than a Zenith at any price. Anyone who tells you differently is misinformed, or may have an interest in your purchase of a more expensive make. Zenith's superb line of 5 tubeless, transistor models offers 432 individual power-tone response modifications. Get the one best suited to your hearing loss—no extra charge, no hidden "fitting" costs!

We invite you to try a Zenith Hearing Aid on our 10-day Money-Back Guarantee. Use it at home, work, church, anywhere—you must be satisfied! Full-Year Warranty, Five-Year Service Plan, Easy Time Payments, Stock earmold provided; custom earmold or bone conduction device at small added cost. Your Zenith Hearing Aid Dealer is listed in the classified telephone directory. Or send for literature and local dealer list:

Crash Kills 3 Near St. Ignace

ST. IGNACE (P) — Three men were killed in a head-on automobile smashup today atop Bryce's Hill on U.S. 2 seven miles west of St. Ignace.

A fourth man was seriously injured.

State police tentatively identified those killed as Elmer Swenson, Corson, S. D.; Francis Fonder, Sioux Falls, S. D., and Frank France, St. Ignace. Ages were not immediately available.

Arthur Melwing, of St. Ignace, was taken to a hospital in serious condition.

Swenson and Fonder were in one car, and France and Melwing in the other. The collision was so terrific police were unable to determine immediately who was driving either car.

Obituary

WILFRED DUFOUR

Funeral services for Wilfred Dufour, a resident of Escanaba for many years, were held today at 9 a. m. at St. Joseph's Church with Rev. Stephen Schneider, O. F. M., officiating. Burial was made in Holy Cross Cemetery.

Pallbearers were Matt Decker, Paul Rademacher, Antone Roeser, John Boleau, John Jedrich and Frank Beaudry.

Out-of-town persons attending the services were Mr. and Mrs. Eldridge Dufour Sr. and Mr. and Mrs. Robert Dufour and Sandra Green Bay; Mr. and Mrs. Charles Dufour, Menominee; Mr. and Mrs. Frank Brandigan and Mr. and Mrs. Joseph Dufour, Milwaukee, and Mr. and Mrs. Neil Gauthier, Neopit, Wis.

OTTO SCHOEN

Funeral services for Otto Emil Schoen, pioneer resident of Wilson, were held Monday at 4 p. m., (CST) at Grace Lutheran Church, Powers, with Rev. Franklin Dobrztz officiating. Burial was made in the Wilson Cemetery.

During the service, C. Arthur Anderson sang a request solo, "The Old Rugged Cross" with the accompaniment of Mrs. Harland Hanson. Mrs. Hanson also sang a solo, "Asleep in Jesus", with her own accompaniment.

Pallbearers were Alfred, Chester, Edwin and Glenn Schoen, Ed Makes Sr. and Roy Bagley.

Out-of-town persons attending the services were Mr. and Mrs. Otto Schoen Jr. and Robert Schov, Gwin; Mr. and Mrs. Raymond Pepin, Miss Shirley Pepin, and Mr. and Mrs. Lester Percifield, Milwaukee; Raymond Schoen and Miss Barbara Schoen, Chicago; Mrs. Alex Schoen, Mrs. Flora Vanderplus, Mr. and Mrs. Clarence Schoen, Mr. and Mrs. August Schoen, Emil Schoen and Mrs. Lena DeLairs, all of Green Bay; Mr. and Mrs. Herman Beiswanger and son, Jim, and Mrs. Leslie Bant, Calumet; Mr. and Mrs. Henry Baumgart and Mr. and Mrs. Lavern Olson, Coleman, Wis.; Mrs. Lloyd Baumgart, Lena, Wis.; Mrs. Frank Sahn and Glenn and Kenneth Sahn, Rapid River; Fred Schoen, Peronville, and Mr. and Mrs. Chester Schoen and Mr. and Mrs. John Williams, Bark River.

George Boyd, Thomas Boyd, Mr. and Mrs. George Tuffnell, Mr. and Mrs. Harvey Tuffnell, Percy and Earl Tuffnell, Mrs. Herman Anderson, Mrs. Van Anderson, Donald Anderson, Mrs. Dennis Gouin and Mrs. Napoleon Lavake, all of Manitowish; Mrs. Thomas LaPlante, Iron Mountain; Frank Bergen, Norway; Percy and Earl Owens, Escanaba; Glenn Schoen, Hermansville; Mr. and Mrs. Edward Boyd, Mr. and Mrs. Hiram Squires and Stephen Boyd, Detroit; William Tuffnell, Gladstone, and Mr. and Mrs. Peter Quade, Mr. and Mrs. Charles Quade, Mr. and Mrs. Otto Miller, Mr. and Mrs. Clyde Monroe and Mrs. William Mass, all of Marinette.

Wall Street

NEW YORK (P)—The stock market declined today under the weight of profit-taking.

The fall followed nine consecutive advancing sessions which put the market at its highest levels on record.

Losses today weren't especially pronounced and extended to around two points. At the same time there were gains of between one and two points in the list.

Trading was in the neighborhood of Monday's 3,080,000 shares.

U. S. government bonds were steady.

Newsboys Leave Tonight For Tour Of Chicago

"There'll be a number of substitute newsboys on the Daily Press routes for the next two days so if your paper is a little later than usual, bear with us," Duncan Cameron, Daily Press circulation manager reported this morning.

League Study Topic Introduced By Miss Ley

"Supreme Court Justice Brandeis said, 'Rights are not granted to people. They are what the citizen has reserved for himself,'" quoted Miss Nina Ley as she introduced the new study item on individual liberties at the local League of Women Voters meeting held in Carnegie Public Library last evening. "It has been the subject of much discussion to keep a proper balance between authority and liberty," she continued.

Twelve documents, considered by the Scott-Foresman Company to be important declarations of human rights, were reviewed. Beginning with the Sermon on the Mount and ending with the Atlantic Charter (1941), the documents elaborated upon various rights of man. Included in the 12 were the Magna Charta, the Declaration of Rights, the Mayflower Compact, the Declaration of Independence, the Northwest Ordinance, the U. S. Constitution, the French Declaration of the Rights of Man, the Bill of Rights, the Emancipation Proclamation and Wilson's 14 points.

"In the U. S., the only sovereign we recognize is the people," stated Miss Ley. In concluding the program she reviewed the Freedom Agenda by T. V. Smith, Maxwell Professor of Citizenship and Philosophy at Syracuse University, N. Y. In the booklet he concludes that "all rights aim at one goal: the right to be let alone."

Mrs. Victor Powers, first vice president, conducted the business meeting. Plans for the state convention at Sagnia, May 4-5, were discussed. The next regular meeting will be held May 3 in the library.

Premier Of Red China Raps U. S. In Banding Talk

(Continued From Page One)

phrasing chiefly his contention that "peaceful coexistence of countries with different social systems can be realized."

Chou said international tension was reduced following the Korean armistice and the Indochinese cease-fire.

Chou invited the whole world to join with China, India and Burma in supporting the five principles of "peaceful coexistence."

Ready To Cooperate

"China is ready to establish normal relations with other Asian and African countries on the basis of strict adherence to these principles and is willing to promote the normalization of relations between China and Japan," Chou said.

"In order to promote mutual understanding and cooperation among us, we propose that the governments, parliaments and peoples' organizations of the Asian and African countries make friendly visits to each other's countries."

Chou's speech followed a line that he has been promoting through out the conference "sweetness and light" in the words of one impressed Middle Eastern delegate.

He denied that communism sought to interfere in the internal affairs of independent countries and said China was ready to cooperate for cultural and economic development.

"If nations give us an assurance not to commit aggression against each other, conditions will be created in international relations for peaceful coexistence," Chou said.

Israel Criticized

"If nations give us assurance not to interfere in each other's internal affairs it will then be possible for the people of those countries to choose their own political system and way of life in accordance with their own will."

Syria's foreign minister, Khaled Azem, told the representatives of the Asian and African nations: "Without us, a world war cannot be waged. We command great manpower and vital materials."

He raised the Palestine problem again and accused Israel of being "neither a part of Asia or of Africa, but only an outpost of imperialism."

He called French possessions in North Africa "one great concentration camp" and appealed for conference support of Indonesia's claim to Dutch New Guinea.

"To achieve peace," he said, "pockets of imperialism must be wiped out."

Chou's speech followed new attacks on Communist expansion by Asian allies of the West today. They did not call the Reds by name but their meaning was clear.

Salk Vaccinations At Rock First On County Schedule

ROCK — Rock School was the first on the schedule when the polio vaccination program got underway in Delta County Monday, April 18. Of the 41 students in the first and second grade, 39 received shots of the Salk vaccine. One pupil was absent and one did not wish to participate.

Eighteen first and second graders from Perkins received their vaccinations at Rock before the Rock pupils.

Dr. W. C. Harrison, director of the Delta-Menominee Health district, and Miss Anita Kotila RN, were in charge of the vaccinations. Assisting them were Dr. Albert Weldum, Judy H. Halmoeja, Nancy Saari, Linnea Johnson and Charmaine Gerou.

VanDamme Infant Dies At Marquette

Jane Marie VanDamme, day old daughter of Mr. and Mrs. Girard VanDamme, St. Nicholas, died at 12:30 p. m. yesterday at St. Luke's Hospital, Marquette, where she had been taken shortly after birth at St. Francis Hospital. She was born April 18, 1955.

Surviving besides the parents are two brothers, Arthur and Robert; the maternal grandparents, Mr. and Mrs. Emil DeBacker, and the paternal grandfather, Jules VanDamme.

Funeral services will be held Wednesday at 10 a. m. at the Alto Funeral Home chapel with Rev. Edward A. Malloy of St. Joseph's Church, Perkins, officiating. Burial will be made in St. Nicholas Cemetery.

Sweden has one two-wheeled motor vehicle for every 24 inhabitants and believes that no other country has so high a ratio.

Garden Peninsula Lions Club has selected Miss Ronda Casey, daughter of Mr. and Mrs. Gerald Casey of Fayette, as its candidate for the Smelt Queen contest. Ronda is a sophomore at Holy Name High School in Escanaba.

Enlistment Goal For Europe Exceeded

The Milwaukee Army Recruiting Main Station, which processes applicants from eastern Wisconsin and Upper Michigan, today announced that it has exceeded its goal of direct enlistments for the Europe-bound 10th Infantry Division.

Lt. Col. Wallace B. Kruczek, station commander, said that 504 men from 21 counties in Wisconsin and 14 counties in Upper Michigan have enlisted for the division since "Operation Gyroscope" began last November. The quota was 494.

"Although the goal has been surpassed," Kruczek said, "enlistments for the 10th will continue to be accepted until May 6."

The division is scheduled to leave Fort Riley, Kan., beginning in July to relieve the 1st Infantry Division.

Reports Given At St. Patrick's Home And School Meeting

Reports on various school departments were given at the regular meeting of St. Patrick's Home and School Association held last evening at the parish hall.

In addition to routine accounts of standing committee chairmen, Mrs. Stack Smith, library chairman, told of books which are being secured for the school library, and Mr. and Mrs. Roy Swaby were appointed co-chairmen of a yearly calendar of events.

It was announced that St. Patrick's eighth grade will be completed by the end of the year.

Mrs. Thomas A. McInerney displayed baptismal robes and gave an explanation of them and Dr. McInerney spoke on the Salk vaccine.

Tom Dufour, chairman of athletic events, announced that the Harlem Globe Trotters have been secured for an appearance next fall.

Mr. and Mrs. Robert Finley, Mr. and Mrs. Harold Anderson and Mrs. Clarence Zeno were named to the nominating committee.

Mrs. McInerney and Mrs. Joseph Heirman were co-hostesses during the coffee hour.

Briefly Told

Airman Saves Woman In River

MT. CLEMENS (P)—The Soldiers' Medal for heroism outside military duty will be recommended for a Selfridge Air Force Base air policeman who pulled a drowning woman from the Clinton River.

The woman, Mrs. Blanche Winstead, 19-year-old Mt. Clemens mother, apparently attempted suicide Saturday night by jumping into the river, police said.

Making a routine check at the nearby Mt. Clemens police station were Airman 2c Terrance K. Jensen, 23, of Detroit Lakes, Minn., and T-Sgt. William J. Melton, 28, of Portsmouth, Va.

Hearing screams they rushed to the river. Jensen stripped off his uniform to swim to the woman. Melton made ready a life preserver.

Jensen said Mrs. Winstead was sinking when he reached her but with the help of the life preserver tossed by his buddy he was able to get her to shore. She was revived by artificial respiration.

Mrs. Winstead later told police she had quarreled with her husband, Walter, and that he had left with their 7-month-old daughter, Lisa.

Twins, 92, Visit With Twins, 92

NEWPORT, Ky. (P)—The four rocking chairs creaked, creaked again . . . and nobody said anything.

Maybe it was the shyness or just nervousness that kept the 92-year-old twins silent most of the afternoon.

After all, it was the first time Mrs. Mary Cullen and her twin, Mrs. Eva Bowman, had seen Fred and August Schulze, twin from Brussels, II.

The brothers, who suggested the meeting, flew here Sunday with relatives and were escorted to Mrs. Bowman's home.

"Get the preacher, we're ready," quipped Mrs. Cullen as she was introduced. Wives and husbands of all four died years ago.

All moved to the front porch and the rockers, where the subject of age came up. It had brought, on the meeting since each set of twins claimed to be the older.

But it turned out the Schulzes were born Aug. 5, 1862, and the Kentucky women on Jan. 11, 1863, at Maysville. Mrs. Cullen still lives there.

Following more rocking and more silence, the party broke up and the brothers departed without the glass of wine the women had planned to offer them.

Told the Schulzes drink nothing stronger than water, Mrs. Cullen came back with this remark:

"If we had met them 30 years ago, we might have made better men of them."

The bidding:

South	West	North	East
1 ♠	Pass	1 ♥	3 ♠
4 ♠	4 ♠	5 ♠	Pass
Pass	Pass		

In view of the vigorous shut-out bidding by the opponents, North-South would have had to be inspired to reach six hearts or six clubs. This does not mean that

Distributed by King Features Syndicate

North made a good bid when he said five diamonds, but even if he had properly passed, the result probably would have been the same. In all likelihood South would have bid five clubs, and North then would have had to bid five diamonds simply as a preference. North could scarcely know that his J-6 of clubs would be excellent support for a club contract; and South certainly couldn't afford to raise hearts at such a high level on the K-7 support.

West, on lead against five diamonds, laid down the ace and another spade. South ruffed and cashed the trump ace, then, when he saw East's jack fall, confidently cashed the diamond king. His confidence quickly faded, however, because West now had two sure trump tricks.

After dropping the diamond jack, the safety play for South was to lead a low diamond toward the ten. Whatever West chose to do, this would hold him to one diamond trick, and he could not force declarer's hand by another spade lead, since dummy's trump would be there as a ruff, if needed.

Germfask

GERMFASK — The following members of the Ladies' Auxiliary to Edward James Doran VFW Post 8962 attended the officers-elect school of instruction held at the Tahquamenon Auxiliaries Club Room at Newberry Community Building: Jennie Thayer, Mary Rutherford, Maryann Ranger, Elsie Holbrook, Vera Doran, Erma Nass and Bessie Ruthven and Alice Archey. The school was conducted by the dept. president, Janet Hutzler, junior vice president, Clarissa Leeding and department secretary, Augusta White.

The 4-H leaders recognition banquet at the Manistique Township Hall, Wednesday evening was attended by Mr. and Mrs. Clyde Latsch, Mr. and Mrs. Ling Burns, Mr. and Mrs. Harold Lustila, Mr. and Mrs. Vernon Estregren, Mr. and Mrs. Leo Lawrence, Mr. and Mrs. Robert Taylor, Mr. and Mrs. Leonard England, Mrs. Leah Nelson, Mrs. Ruth Brow, Miss Beatrice Thorley and Mrs. Waneta Hartman. Mrs. Hartman and Mrs. Lustila were presented 5 year leadership awards and Mr. Taylor a 1 year award. Group singing was enjoyed by all and international farm youth, Norman Laakso, talked and showed slides.

The South Germfask Home Demonstration group held a meeting Thursday at the home of Mrs. Hubert Latsch where an oven meal was served by leaders Mrs. Herbert Musselman and Mrs. Cathleen England.

Detroit Named Dentist Of 1955

DETROIT (P)—The Michigan State Dental Assn. Monday singled out Dr. Edward B. Spalding to be honored as "the outstanding Michigan dentist of 1955."

Dr. Spalding, who will be 87 next Sept. 18, was invited as guest of honor at the opening session of the association's 98th annual meeting in Detroit.

Associates said Dr. Spalding was the first dentist to call the attention of the profession to pyorrhea and more than 50 years ago he developed a treatment for gum disease. Another of his firsts was the porcelain jacket crown for repairing teeth.

Dr. Spalding was born near Eagle Harbor, at the far end of the Keweenaw Peninsula in Upper Michigan. His father was superintendent of a copper mine. Later the family lived in Sault Ste. Marie where young Spalding attended high school. He graduated from the University of Michigan dental school in 1892 and started practice in Detroit.

In cities where it is customary to take a siesta nap in the early afternoon, the people often get up very early and stay up late, with performances at the theater often starting at 11 p.m.

Snake At 1500 Feet Delays Plane Trip

JACKSON, Tenn. (P)—Just as Lt. Harry Scott of Jackson climbed to 1,500 feet in a National Guard plane for a 500-mile cross-country flight, a snake stuck his head out of the instrument panel.

"I didn't ask his pedigree," said Scott. "At 1,500 feet snakes are snakes to me."

Scott and his companion, Sgt. Bedford Lasley, were back on the ground five minutes after takeoff. Guardsmen had to take the instrument panel out to remove the snake, a 42-inch chicken snake. They killed it.

Lucille Wright, Kenneth Rian Exchange Vows

The Immanuel Lutheran Church was the setting for the wedding of Miss Lucille Helen Wright, Wells, to Kenneth John Rian, Escanaba, at 2 p. m., Saturday, April 16. Parents of the bride are Mr. and Mrs. Clarence Wright, 5 Highland Ave., Wells, and the bridegroom's parents are Mr. and Mrs. Arne Rian, 1822 8th Ave. N.

The Rev. Johannes Ringstad performed the nuptial service, during which a cousin of the bride, Miss Betty McNaughton, sang "Because" and "The Lord's Prayer." The organ music was played by Don Aronson.

Honor Attendant

The bride wore a gown of Chantilly lace fashioned with a strapless bodice and a bouffant net hoop skirt ending in scallops. The bolero of matching lace was designed with a Peter Pan collar and long tapering sleeves. Her shoulder-length veil of illusion net was caught to a seed pearl Juliet cap. The bride's only jewelry was a locket, gift of the bridegroom. She carried a colonial bouquet of white carnations with streamers of red roses.

Sister of the bride, Mrs. Duane Schimmel of Neenah, Wis., acted as matron of honor. Her gown of aqua lace and net was designed with a strapless bodice and a colonial hoop skirt of lace and net. She wore a matching net stole and headpiece and carried a colonial bouquet of yellow carnations and snapdragons.

Wedding Dinner

At the Terrace Gardens for the bride and groom, was best man. Ushering the guests to their seats were Lawrence Kidd, brother-in-law of the bridegroom, and Duane Schimmel, the bride's brother-in-law.

The mother of the bride attended the wedding attired in a blue suit with pink accessories complemented by a corsage of pink carnations, while Mrs. Rian attended her son's wedding wearing a grey-blue suit with white accessories and a corsage of white carnations.

A wedding dinner was served at the Terrace Gardens for the bride and groom and the immediate families. A wedding reception for 250 persons was held at the Idle Hour. Mrs. James Casey and Miss Betty McNaughton poured, while Mrs. Vernon Dahl served the wedding cake.

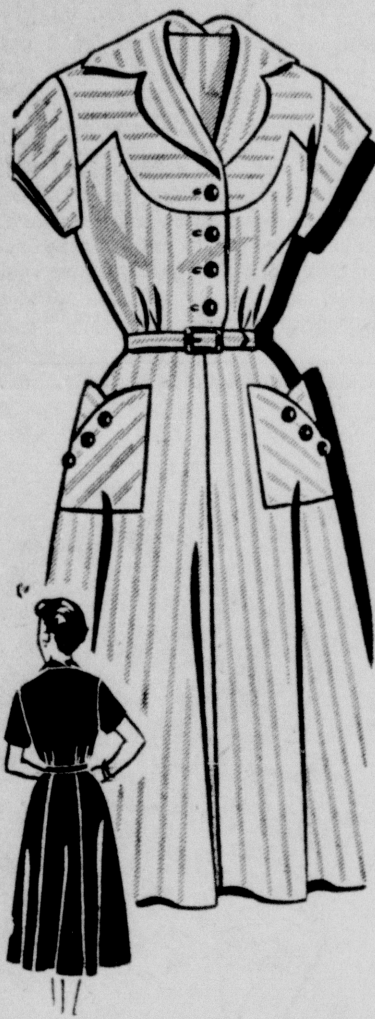

Wedding Guests

When the new Mr. and Mrs. Kenneth Rian left for a wedding trip to an undisclosed destination, the bride wore a navy suit with white accessories and a corsage fashioned of white roses. The newlyweds will reside at 2400 Ludington St. They both are graduates of Escanaba Senior High School.

Out-of-town wedding guests were Mrs. John Kasbohm, Negaunee; Miss Betty McNaughton and Ronald Johnson, Marquette; Mrs. Harold McNaughton, Mr. and Mrs. Vernon Dahl and Gary and Kathy Dahl, Bark River; Mr. and Mrs. Ray Kasbohm, Whitney; Mr. and Mrs. Harry Wright and children, Bonnie and Mike, Watersmeet; Mrs. Joyce Fromm, Racine; Mrs. Viola Dishno and Dick Casey, Chicago, and Mr. and Mrs. Ole Petersen and Mr. and Mrs. Mayer Jacobson, Stonington.

Wonderful for company: Oven or spit-roast a couple of frying chickens. Make a sauce using the drippings, chicken broth, curry powder and egg yolks for thickening. Serve the sauce over the carved chicken and accompany with shredded coconut, finely chopped salted peanuts and chutney. This dish needs steamed rice as a go-along, of course.

Casual In Half Sizes

A good looking classic frock for general wear, designed expressly for the shorter figure. Note the interesting details.

The latest issue of our pattern magazine contains dozens more smart, easy to sew styles for all ages. Send 25 cents today for your copy of the spring and summer '56 issue.

Perkins

PERKINS — Lt. Melvin Jackson who is stationed at Enid, Okla., was a guest of Mr. and Mrs. Leo Godin during the weekend.

Miss Mary Ellen Godin, RN, of the Veterans Hospital, Iron Mountain, spent the weekend with her parents, the Leo Godins.

The Perkins Lions Club will hold a Ladies Night meeting Thursday, April 21, at 8 p. m., at the club rooms.

The Perkins PTA is sponsoring a card party and lunch at the school Saturday at 8 p. m. Mrs. Art Stevenson is general chairman. The Third Order of St. Francis will meet at St. Joseph's Church Thursday, the service opening with Benediction of the Blessed Sacrament. Rudolph Johnson of Treary will be organist.

Mr. and Mrs. Ray LeClaire and Daniel Legault visited relatives in Iron River and Iron Mountain Sunday. They were accompanied by Mr. and Mrs. Herbert Legault of Escanaba.

Mr. and Mrs. M. L. Dupuy of Escanaba and Mr. and Mrs. Don Rhoder and children of West Chicago visited Saturday with Mrs. Elsie Dupuy.

The Ernest and Lawrence Lanoir families of Marquette visited Mrs. Mathilda Lanoir Sunday.

The Rev. Gilbert Neurohr has returned to St. Ignace after a week's vacation at the home of his parents, Mr. and Mrs. Fred Neurohr Sr., Brampton.

Rev. Mr. Matt Jodocy has resumed his major studies at St. John Provincial Seminary at Plymouth, Mich., after visiting his

Eagles Auxiliary Convention Is Successful Event

The Eagles Auxiliaries of the Upper Peninsula held a successful district meeting in Escanaba Sunday with 80 members from Calumet, Iron River, Ironwood, Menominee, Ontonagon, Hancock, Marquette and Escanaba in attendance.

The meeting began at 11 a. m. at the Odd Fellows Hall. Mrs. Art Walker of Escanaba, state vice president, introduced the Ironwood drill and ritual team which conducted initiation and ritual work. The meeting was then turned over to Mrs. James MacDonald of Calumet, past state president, who presided. She introduced Mrs. Ed Wickholm, president of Escanaba Auxiliary, who welcomed the visitors. Informative talks were given by Mrs. MacDonald, Mrs. Walker and Mrs. Lucille Koski of Ironwood, a past president. The program included lectures on conduct of officers' meetings, membership and delinquency, committees and their importance, duties of secretary, ritual work, and publicity. Each was followed by considerable discussion during question and answer periods.

The meeting adjourned at 4 p. m. The members then joined the men at the Eagles' Club where dinner was served to 150.

Frank Schaltz, state trustee, acted as toastmaster. An interesting talk was given by Lyman Morrison, Michigan State Aerie president. His message was briefly, the importance of building, rather than tearing down, whether it be a material structure, character or any worthwhile project.

Other speakers were Ralph LaRaque, Iron River, 5th vice president of the Michigan Aerie. Al Anderson, of Flint, past state president. Entertainment during the dinner was furnished by a local barbershop quartet, consisting of Fritz Provencher, Lowell Sundstrom, Ken Thompson and Dick Schmelzer. Several members of Negaunee Aerie also furnished music for the event.

Births

Dr. and Mrs. Paul Leggett of Pawhuska, Okla., announce the birth of a son, Kelvin David, Saturday, April 16. The baby, who weighed 7 pounds and 3 ounces is the first son and third child in the family. Mrs. Leggett is the former Alice Corbett, daughter of Mrs. Thomas Corbett of 215 N. 14th St.

parents, Mr. and Mrs. Peter Jodocy, St. Nicholas.

Mr. and Mrs. William Kosow and family have moved from Gladstone Rte. 1 to the farm home of Joseph Fournier at Beaver.

Mrs. Fred Neurohr Sr., left for Kenosha to visit her mother, Mrs. Fred Gerou and other relatives.

Personals

Mrs. Victor Nelson, 321 N. 13th St., has returned from a visit in Washington, D. C. and Petersburg, Va. Mrs. Nelson visited her nephew and niece, Mr. and Mrs. Ernest Sprader and their first son, Ernest, Michael, while in Petersburg and she toured Washington during the Cherry Blossom Festival. The Spraders are former residents of Escanaba.

Miss Donna Marie Abrahamson has returned to Chicago where she is a student in the Pediatrics School of Nursing, Michael Reese Hospital, following a weekend visit at her home, 1413 3rd Ave. S.

Miss Barbara Claringbole, who has been a guest of Mr. and Mrs. Bernhart Peterson, 1318 Sheridan Road, the past ten days, has returned to Milwaukee. Barbara is a niece of the Petersons.

Mrs. Dwayne Burak, Gladstone Rte. 1, left today for Rochester, Minn., where she will enter the Mayo Clinic for medical treatment.

Mrs. Robert Nelson returned today to Chicago after visiting at the home of her parents, Mr. and Mrs. Carl Frans, 926 Sheridan Road. Mrs. Franz accompanied her daughter to Chicago where she will visit with her and another daughter, Miss Iris Frans, who is employed there.

Miss Mary Kaz today returned to Clovis, N. M., after spending a 10 day vacation at the home of her parents, Mr. and Mrs. George Harris, Rapid River, and with other relatives.

A2/C James Van Remortel, U. S. Air Force, is spending a 30 day furlough at the home of his parents, Mr. and Mrs. Carl Van Remortel, Fayette, after which he will leave for Thule Air Force Base, Greenland, where he will be stationed a year.

Wayne Van Remortel, student at Western Michigan College, Kalamazoo, spent spring vacation at the home of his parents, Mr. and Mrs. Carl Van Remortel, Fayette.

Mr. and Mrs. Louis Pintal and daughter Marilyn, 408 S. 18th St., have returned from a week's visit with relatives in Detroit.

Mr. and Mrs. John Kusnier have returned to Milwaukee after spending the weekend here with Mrs. Kusnier's parents, Mr. and Mrs. Karl Lemke, 1513 2nd Ave. S.

Wells

St. Anthony's Guild will meet at 8 p. m. Wednesday in the Wells Township Hall. A social program will follow the business meeting with Mrs. Stanley Lundquist, Mrs. Walter Madalinski and Mrs. Lester Noel hostesses.

Rapid River

Rummage Sale Friday
RAPID RIVER — A rummage sale, sponsored by the Women's Fellowship of the Rapid River Congregational Church, will be held Friday, beginning at 10 a. m. in the parish hall.

CLEAN CURTAINS & DRAPES NOW!

There are a lot of things that ruin curtains and drapes, and some of them are in the long run unavoidable. Like sunburn. Even if you have shades or awnings on your windows, and have the curtains or drapes lined and innerlined, sooner or later they'll be exposed to enough sun for fading and deterioration to take place. Smoke, gasses, fumes of one sort or another are also—in the long run—not completely unavoidable.

But here's something you can avoid, by golly. And if you value your dollar like you should, you'll do it.

I'm talking about how grime and dirt act chemically on the fibres of the fabric from which your curtains or drapes are made and destroys them. Dirt's really bad. It eats and eats and eats at the fabric and before you know it, it's too late.

So here's a word of honest advice: CLEAN THEM OFTEN. At least twice a year, and still better every three or four months. You'll be amazed at how many more months, and even years of extra life you'll get out of them.

It takes fresh, potent solvents properly employed by a cleaner who knows the chemistry of cleaning and the properties of the fabric he's cleaning.

That means that in this area you'd better call or bring them to a good cleaner.

Church Events

Central Choir
The choir of Central Methodist Church will meet Wednesday at 7 p. m. at the church. Attendance of every member is requested.

Confirmation Class

The confirmation class of Central Methodist Church is meeting at the church Thursday at 4 p. m.

Christian Science Society

Man's God-given dominion over the bondage of fear will be brought out at Christian Science services Sunday.

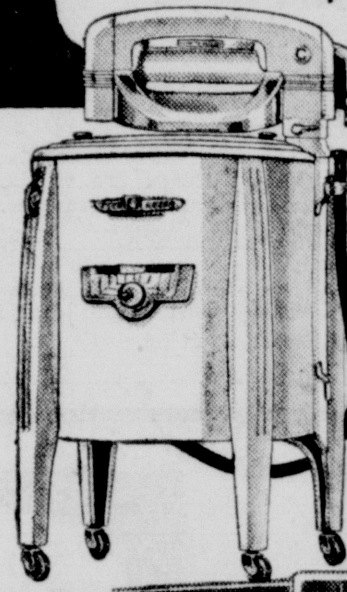

The Lesson-Sermon entitled "Probation after Death" will include the following from the King James Version of the Bible (Hebrews 2:9, 15): "But we see Jesus, who was made a little lower than the angels for the suffering of death, crowned with glory and honour; that he by the grace of God should taste death for every man. . . . And deliver them who through fear of death were all their lifetime subject to bondage."

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (426:16): "When it is learned that disease cannot destroy life, and that mortals are not saved from sin or sickness by death, this understanding will quicken into newness of life. It will master either a desire to die or a dread of the grave, and thus destroy the great fear that besets mortal existence."

Before you buy a washer

Ask these 3 questions:

- 1 How many years will it last?
- 2 Will it get dirty work clothes CLEAN?
- 3 What about repair bills and cost of operation?

Over 2-1/2 million families in America have gotten the best answers to these questions by buying a Speed Queen. And you can too — because the Speed Queen, really, is a wonderful washer. Speed Queen prices start at ...

Take the Key and See...

the New **PACKARD**
with Torsion-Level Ride

Smooths the Road
...Levels the Load

Automatically

Here's comfort you've dreamed of... and a ride to set you dreaming! It's the new Packard Torsion-Level Ride—a new system of suspension eliminating conventional coil and leaf springs to give you comfort unequalled by any car, on any road.

In other cars, twisting forces due to wheel shocks are transmitted to the frame. You submit to the resulting pitch and bounce... the car is subjected to wracking of frame and body. But with Packard Torsion-Level Suspension, these same twisting forces are transmitted along the new torsion bar

system, and absorbed before they can reach either frame or passengers. And an ingenious power-controlled levelizer automatically compensates for changes in passenger and luggage load.

All this is yours plus the tremendous power of the new "free-breathing" V-8 engine developing 275 horsepower in the Caribbean and 260 in all other models. Plus, too, the smooth response of the new Packard Twin Ultramatic—actually two transmissions in one. All this in a setting of magnificent luxury and beauty. See and drive this new car in the fine car field. "Ask the Man Who Owns One."

Speaker Tells Of
State Resources

An interesting and informative talk on Michigan's resources was given by Arthur Slaughter, Escanaba, of the Geological Survey of the Michigan Conservation Department.

Douglas Houghton was the first state geologist and headed a division of the conservation department which is the oldest in the state. One of Houghton's early tasks was to locate salt licks and deposits for salt in those days was extremely valuable and scarce in those days. Today we know that Michigan's salt deposits are practically unlimited and there is one layer 2,000 feet thick underground in the lower peninsula.

The speaker displayed maps which showed the location of various resources including iron ore, copper, gypsum, limestone, sand and gravel.

New processes allow the use of low grade ores and which will be of benefit to the Upper Peninsula. Michigan at one time was a coal producing state but this is no longer true.

Water Tops
"Most important and most wonderful resource of ours is water," the speaker declared. "This we take for granted. It is hard to realize it is so important but it is the most necessary for life. The others we can do without, but not water."

The speaker said if it wasn't for water we would burn up during the day and freeze at night. He said statistics show that the average person uses 100 gallons daily and that when this is combined with manufacturing and other uses the daily total in the United States is boosted to 1300 gallons per capita.

In answer to questions he said that to his knowledge oil had not been found at Isabella, that trace gold has been uncovered but nothing important and that no significant uranium deposits had been found in Michigan. He also said that there is a scientific way of locating water and it isn't with a stick (divining rod).

Ladies Aid

The Ladies Aid of the First Baptist church will meet at 2:30 Thursday afternoon in the church parlors. Mrs. Axel Edwards is the hostess.

Guild Social

A social meeting of All Saints Catholic Guild will be held to night at 8 in the parish hall. Forming the committee in charge are the Mmes. Lionel Sabourin, Peter Semashko, James Shandonay, Joe Shandonay, Francis Smith and Paul Snouwaert.

Wedding Shower

Mr. and Mrs. Arthur Hagen were honored guests at a post-nuptial shower party arranged by members and friends of the First Baptist church and held Saturday evening in the church parlors. A program was presented and the honored guests were given money and several gifts. Lunch was served.

The program: Opening Hymn, Congregation Invocation and Scripture Reading, Theodore Larson Solos, Carol and Betty Miller Reading, Marian Day Remarks, Rev. Austin, of Iowa Closing song, Congregation. Mrs. Adolph Miller was in charge of the arrangements for the party.

Mrs. Hagen is the former Lillian Azlin. The newlyweds were married Saturday, April 9, in Chicago.

They are making their home in Chicago.

Bruce's Party

Bruce Hawkinson, son of Mr. and Mrs. Roy Hawkinson, entertained a group of friends and relatives at a party Saturday afternoon, the occasion being the celebration of his eighth birthday which is today. The youngsters attended the movie and then returned to the Hawkinson home where they were served a birthday lunch and enjoyed games. Winners in the various games were Billy Mineau, and Stephen and Blake Cowen. Bruce received

Cassell Team
Smear Champs

The Melvin Cassell team captured the championship of the Holy Name smear tournament in the playoff with August Boden's quartet Sunday afternoon at All Saints' parish hall.

It was nip and tuck from start to finish, Cassell finally nosing out Boden by two points, 56-54. Members of the winning team are Melvin and Martin Cassell, Martin Cassell, Martin and Julius Trotter.

During the season Cassell's crew were either champs or chumps. There was no half-way point with them. They won the first half and then went into a tailspin and wound up with undisputed cellar honors in the second half. However, they came back to eke out victory and the title in the playoff.

The traveling trophy was presented to the team at the windup banquet which followed the playoff.

Arrangements have been completed for ten of the teams to compete against ten teams of the Pine Forest smear league Thursday night at Ford River. The teams, chosen by lot, are Clude Alworth, Joe Bal, Emil Casimir, Paul Cole, Ronald DeMars, Paul Verhamme, Ed Philon, Mel Cassell, Albert Bratonia and August Boden. Members of these teams will meet at 7 at the school hall Thursday evening before leaving for Ford River.

All players who participated in the recent smear tournament are invited to attend the card party being held by the Guild next Tuesday evening, Joe Bal announced.

many nice gifts as mementoes of the occasion.

Those attending the party were, Stephen and Blake Cowen, Jackie Long, Michael Damitz, Bobby and Tommy Stude, Billy Mineau, Gary Englund, Jeff Lamberg, Chuckie Strom, Alden Bjorklund, Jay Apelgren and his four cousins, Warren and Lori Ann Isaacson, and Judy and Diane Ottensman.

Piano Recital
Thursday Night

Pupils of the junior division of All Saints Music Department will be presented in recital on Friday evening at 8 at the high school assembly room, it was announced yesterday.

It will be the first of three recitals, the other two being scheduled for April 28 and May 5.

The program for Thursday night's event: Shortnin' Bread, Wolfe, Byron Carlson.

The Little Joy Bird, Brett, Elaine Becker.

Little Soldier Boy, Anthony, Charles Pineau.

The Big Bell and the Little Bell, Ketterer, Linda Lewis.

- gets so much done by telephone

Leave it to Pop. He says, "I'll give Joe a call," and you know the problem's licked. Who's Joe? Well, he could be any one of a hundred people Pop counts on to keep his family percolating nicely... the insurance man, the dentist, the scoutmaster, the garageman, the fellow down at the drug store.

And nine out of ten times, Pop will get in touch with Joe by telephone. That's because

the telephone is fast and it's convenient and it saves time and money.

So even if you aren't a Pop, and your druggist's name isn't Joe, let your telephone work for you.

Use it for everything that makes life easier and more fun. For pleasure, for convenience and for protection—what can equal your telephone?

Rotarians Hear MHS Debaters

Five Manistique High School students who won the Upper Peninsula debate championship provided the program for the Manistique Rotary Club's meeting Monday noon.

They were Jon Schuster, who won the state debate championship; Loretta Charron, Katherine Hall, Mary Ella Giovannini and Robert Corson. The students and their coach, Marvin Frederickson, were introduced by Russell Watson, program chairman.

Schuster told Rotarians of the organization of the Michigan High School debating society and of events in state competition at Ann Arbor.

Corson presented an original oration on the needs of public schools; Miss Hall an original oration on the Formosa problem; and Miss Giovannini a resume of the MHS students' free trade arguments. Miss Charron recited poetry showing the futility of war and the suffering which it causes.

The students now are working in forensics and used current material to vary the annual debaters' program for the club.

Briefly Told

Rebekah Lodge — Agnes Rebekah Lodge will meet at 8 p.m., Wednesday in the Legion club rooms.

Mixed Choir — The Presbyterian mixed choir will meet at 7:15 p.m., Wednesday at the church.

Junior Choir — The junior choir of the Bethel Church will meet in the church at 4 p.m., Wednesday for practice.

Flowermakers — The Bethany Flowermakers of Zion Lutheran Church will meet in the church at 7:30 tonight.

Goodwill Club — The Goodwill club will meet at 2:30 p.m., Thursday in the club rooms. Pot luck lunch will be served.

Sewing Committee — The hospital auxiliary's sewing committee meets from 1:30 to 3:30 p.m., Thursday at Schoolcraft Memorial Hospital.

Shooting Match — The Manistique Rifle and Pistol club will hold a shooting match at 5 p.m., Thursday in the National Guard Armory. A banquet at 7 p.m., will follow.

Dies in Arizona — Word has been received here of the death of Mrs. Donald Hackney, the former Esther Carney of Manistique, April 14 at her home at Nogales, Ariz. Funeral services were held Saturday.

Elks Lodge — A regular meeting of the Elks Lodge will be held at 8 p.m., Wednesday at the Elks Temple. After a short business meeting movies will be shown on boating and water sports.

Fire Calls — City firemen were called at 2:30 p.m., Monday to the Hancock Lumber Company when a stack damper closed and caused a furnace to backfire. Some sawdust smoldered on the floor, but there was no damage. Firemen also were called twice Sunday on grass fires on Delta and Washington Avenue.

Missionary Society — The Women's Missionary society of Zion Lutheran Church will meet in the church at 8 p.m., Thursday. Mrs. Gus Nye will be in charge of the program. Members are asked to bring their dime books. Hostesses will be Mrs. Harry Hastings, Mrs. Edwin Gunderson, Mrs. Joseph Nelson and Mrs. John Stoor. All women interested in missionary work are invited to attend.

MANISTIQUE

LEADERSHIP PINS were presented to 4-H club volunteers in Schoolcraft county at the annual recognition banquet this week in Manistique township hall. Receiving the awards from Ben Westrate, of Marquette, state 4-H club leader, (at right) are, left to right, Mrs. Donna Walker, Rte. 1, Mrs. Harold Lustila, Germfask and Mrs. Juanita Hartman, Germfask. All received the 5-year awards. Pins also have been awarded to Mrs. Clifford Christensen, Rte. 2, for 10 years leadership; Mrs. Mae Hutt, Seney, for 15 years; Mrs. Henning Mattson, Rte. 2, for

10 years, and the following for one year: Robert Taylor and Dave McLaughlin, of Germfask; Mrs. Joseph Gideon, Rte. 2; Mrs. Clare Freeland, Mrs. Helen Stites, Mrs. Paul Weaver, Mrs. Walter Peterson, Mrs. Don Arrowood and J. J. King, of Gulliver; Mrs. Ed Gray and Henry McGahan of Cooks; Mrs. Martin Holmberg and Miss Shirley Blanchard, both of Rte. 1, Junior leader awards were presented to Avis Walker and Mrs. Robert Ammann, Rte. 1. (Linderth Photo)

Salk Vaccine Will Be Given April 25

All first and second grade children in Schoolcraft county will receive their first injection of Salk vaccine — the new drug developed to give immunization against polio — at a clinic to be conducted in Lincoln school from 9 a. m. to 11:30 a. m., April 25.

The students will be brought to

the school by bus and there will receive their first injection. Three physicians, including Dr. R. A. Tearnan, director of the Alger-Schoolcraft Health department, will administer the vaccine.

The second injection will be given May 23, Dr. Tearnan reports, and the third seven months after the second. The immunization program is under direction of the Alger-Schoolcraft Health department. No charge will be made for the vaccination.

Only first and second grade students whose parents have signed consent forms are eligible to receive the vaccine in the health department clinic. Schoolcraft county has 366 whose parents have consented to its use.

In tests conducted last year, Salk vaccine was 80 to 90 per cent effective in preventing paralytic polio, according to the report of Dr. Thomas Francis Jr., of Ann Arbor, who made his evaluation report public on April 12. Dr. Francis states he believes the vaccine is potentially almost 100 per cent effective.

Vivian Peterson Is Bride Of Roy Nelson

At a ceremony performed Saturday in the parsonage of Bethel Baptist Church, Miss Vivian Ellen Peterson, daughter Fred Peterson, of Gulliver, became the bride of Roy Gerald Nelson, son of Mr. and Mrs. Arthur Nelson, 410 Alger Ave. The Rev. Douglas Stimers officiated at the 7 p. m., service.

The bride was attired in a cinnamon-brown suit with pink accessories, and wore a corsage of pink roses. Mrs. Mark Schnurer, a sister of the bride, was matron of honor. She wore an avocado green suit with gold accessories and a corsage of yellow roses.

Ralph Nelson served as best man for his brother.

A reception was held at the home of the bride's father, for immediate relatives. The serving table was centered with a three-tiered wedding cake topped with a miniature bride and bridegroom. Mrs. William Bauers cut the cake and Mrs. Mauritz Peterson poured.

The couple left later on a wedding trip to Washington, D. C., and other points south. Upon their return they will make their home in Manistique.

Both the bride and bridegroom are graduates of Manistique High School.

Cooks

School Closed
The Cooks school will be closed Wednesday afternoon so teachers may attend the Schoolcraft County teachers institute. Parents are asked not to send lunch with the children that day, as they will be sent home for dinner.

Brain Heads Tax Allocation Board

The Schoolcraft County tax allocation board elected William Brain, of Germfask, chairman, at its organizational meeting held Monday afternoon in the courthouse.

The board Monday adjourned until after state equalization values are received, but will meet informally April 26. The meetings of the state equalization board this year were changed to the second and fourth Mondays in May.

Serving on the allocation board, which determines the division of the 5-mill property tax for operation of schools and the county government, are A. W. Heitman, finance chairman for the board of supervisors; Laura Williams, county treasurer; Mrs. Ludwig Hough, county school superintendent; and William McEachern, Earl LeBrasseur, and Brain, who were appointed by the probate judge.

Young Man Fined \$50 For Furnishing Beer To Minor Here

Hanford C. Syria, 21, of Bruce Crossing, entered a plea of guilty Monday in Justice court on a charge of furnishing beer to a minor, and was levied fine of \$50 and costs of \$4.

Syria, who reportedly kept a minor girl here out until after 5 a. m., was arrested by city police. He was held in the county jail until his arraignment Monday.

"Oh, I know I'm going to pass this year, Mom—my teacher said yesterday she couldn't take another year of me!"

Nine Musical Groups Booked For U.P. Legion Convention Here In June

Ten to 15 bands and drum and bugle corps will provide stirring music for the 1955 Upper Peninsula American Legion convention, to be held in Manistique June 16, 17, 18 and 19, it is reported by Fred H. Hahne, general chairman.

Nine musical units already have been booked for the conclave, in-

cluding the famous Jackson Zouaves, the Charles Young Drum and Bugle corps from Detroit, and the colorful Canadian Sault Kiltees.

Contacts are currently being made with three additional bands and two drum and bugle outfits, Hahne said.

The program for the four-day event was outlined at a recent meeting of the general committee, attended by Miss Roselyn Caley, of Menominee, Upper Peninsula Legion adjutant. Details of the program are to be announced to various peninsula posts shortly by Miss Caley.

A parade expected to be well over a mile long will be one of the convention highlights.

"Without doubt, this will be one of the banner conventions of the Upper Peninsula Legion," Hahne said.

Band Awards Slated For 15

Old English "M's," of Green chennille on a white background will be presented to 15 members of the Manistique High School band at the annual spring concert at 8 p. m., Thursday in the MHS auditorium.

Letters are awarded to students who have been members of the band for three years and are in their junior year in high school. For each additional year after three, a gold bar is awarded. Thirteen band members will receive bars to attach to letters they received last year.

Band members receiving bars will be Donna Larson, Mavis Talbot, Gail Willour, Mary Ella Giovannini, Marlene Carlson, Alroy Mersnik, Ken Dixner, Bill Sheahan, Elwyn Anderson, Jon Schuster, Joe Nelson, Nancy Winsor, Oran Freeland.

Letter winners are as follows: Seniors — Beverly Gentz, Mary Frankovich, Marlene Gray, Gordon Burns, Robert Corson, Janet Pollock.

Juniors — Ruth A. Guidebeck, Pat Vezina, Katherine Hall (1 bar), Gail LaBrasseur, Sally Stoor (1 bar), Ruth Ann Burnis, Jack Rodgers, Myrene Briggs (1 bar).

Presentations will be made at the end of the evening program, during which the Junior band, Janice Ekblad and Ruth Freeman also are scheduled to perform.

City Briefs

Mrs. Alva Bradley, of Milwaukee, Wis., spent the weekend here with her brother and family, Mr. and Mrs. Frank DeMars, Chippewa Ave.

Mrs. William Duchenev, 305 Bear St. is a patient at Schoolcraft Memorial Hospital.

John Nessman, 106 Arbutus Ave., returned Sunday after spending a week visiting in Chicago with his son and family, Mr. and Mrs. Paul Nessman.

More people get more news from newspapers than from all other sources combined.

A BEAVER TRAPPING RECORD was set this year at the Manistique Conservation department office, with a total of 653 beaver and 29 other pelts sealed Thursday and Friday. Most of the trappers came from Schoolcraft county, but a few Delta residents also had pelts sealed here, according to Ernest Derwin, conservation officer in charge. With Derwin, at right above, are, left to right, Ernest Edwards, conservation officer; Bob Hoar, trapper; and Earl Hyder, who is sealing the pelt. In the last season two years ago only 450 pelts were sealed here. (Linderth Photo)

Briefly Told

W.S.C.S. — A meeting of the W.S.C.S. of the First Methodist Church is scheduled at 2:30 p.m., Wednesday in the church. Hostesses will be Mrs. Lawrence Tennant, Mrs. Frank Pevlot and Miss Iva Burdette.

Pay Fines — Verl B. Diro, 33, of Gulliver, was assessed fine of \$25 and costs of \$4 in Justice court Monday on a State Police charge of reckless driving. Also in court were Ervin V. Fox, of Cooks, who paid \$3 fine and \$2 costs for defective brakes, and Venita Johnson, of Gulliver, who paid \$3 fine and \$2 costs for not having an operator's license.

Community Club — The Thompson Community Club will meet at 8 p.m., Wednesday at the Thompson school. A film "The Warning Shadow" will be shown by Mrs. Frank Arrowood. She will also give a report on activities of the Cancer Society. A business meeting will be held after the film. The public is invited.

Children Walk Out In Wanderlust Call

KEENE, N. H. (AP) — When wanderlust hits Robert Kennedy, 11, and his sister, Roberta, 12, it hits them hard.

A day after they were found in Westmoreland, 28 miles from their Winchester home, they disappeared again. This time they were found in Keene, 18 miles from home.

They insisted they had hiked in each instance, without a single lift.

Kid's Caps Solve Starling Problem

SAN ANTONIO, Tex. (AP)—They tell this one about May. Gen. Clements McMullen (Ret), former commanding general at Kelly Air Force Base.

When starlings persisted in landing on air surfaces of B36 bombers, soiling them and creating "drag" the general ordered children's beanie caps fixed on parked bombers' tail sections. Their whirling plastic propellers frightened the birds away.

With Ray Crandall

See where Bill Robichaud, former Florence High School star, is picking up where he left off as a pitcher for the University of Wisconsin baseball team. Robichaud was undefeated last season in the Big Ten and has tossed two straight wins already this year in non-league action. The Badgers are rated a strong threat to grab the Big Ten baseball title from Michigan State.

It looks like one of the biggest rebuilding jobs in the history of the school for the Michigan State Spartans in football this year. As Coach Duffy Daugherty points out, only two regular first stringers from the 1954 team were on hand for the first spring drill. They were left end John Lewis and fullback Gerry Planutis, and they weren't even first stringers all the way, having alternated with Ellis Duckett and Vic Postula. Even Capt. Buck Nystrom, of Marquette, was a reserve guard behind Ferris Hallmark until Hallmark was sidelined with injuries late in the season.

The track and field call at Menominee drew only 20 candidates recently but Coach Ken Radick is hoping for more boys as the weather warms up. Among the missing will be the swift deaf mute, Allan Defaut, who won the Upper Peninsula Class B 440 yard dash in 55.2 seconds. He has moved from Menominee.

Amateur boxing activity continues to flourish in the Upper Peninsula. Another paired-match show will be staged at Sault Ste. Marie Saturday night. And Pat Murphy of Marquette is planning to promote another boxing program for the inmates at the Marquette Prison in several weeks. The last show there was a great success and the inmates have been begging for a repeat, Murphy says.

Holy Name Baseball Team Will Open Season At Powers Friday

The Holy Name High School baseball team will open its 1955 season Friday, April 22, at Powers but Coach Tom St. Germain has only a vague idea of the probable starting lineup.

"We haven't been able to get a workout outside the gym as yet so the candidates have not been able to show their ability," the Crusader coach explains.

A squad of 16 candidates has been working out daily at the Holy Name gymnasium, running through conditioning exercises, fielding batted balls, practicing mound duties and receiving.

The team will be almost entirely rebuilt from last season with only a handful of returning veterans on hand. Two vets back are pitchers John Berrigan and

Gary Paler, both juniors, who will form the nucleus of the mound staff.

Holy Name will open its season in a rush, playing its first four games in eight days. After the Friday opener at Powers, the Crusaders travel to Stephenson next Monday, return home against Powers Wednesday and travel to Bark River next Friday.

A seven-game schedule is drawn up and four additional games are being planned. Negotiations for dates (2 each) with Negaunee and Gladstone are being worked out.

The remainder of the schedule follows:

April 22—Powers there
April 25—Stephenson there
April 27—Powers here
April 29—Bark River there
May 5—Escanaba there
May 10—Bark River here
May 16—Stephenson here

Pfeiffer Beer Team Rolls In ABC Tonight

FORT WAYNE, Ind. (P)—The highly ranked Pfeiffer Beer quintet of Detroit takes a shot tonight for the team lead in the American Bowling Congress tournament. The Detroit team, which under the E. and B. banner won the ABC title in 1952 and 1953, will be aiming to top the 3,047 total which gave the 620 Club of Minneapolis the lead.

Frank Demko of Cleveland, accounted for the only change in standings Monday. He hit 683 in singles competition for 10th position. Milwaukee's Eddie Gerzine still leads with a 738.

State Sports Writers Vote On Hall Of Fame

DETROIT (P)—A committee of newspaper and radio sports editors has been named to set up plans for a statewide sports writers vote on nominations to a proposed Michigan Sports Hall of Fame.

Named to the committee Monday were General Manager Nick Herby of the Detroit Lions, Sports Director Bob Reynolds of Radio Station WJR, in Detroit, and Lyall Smith, sports editor of the Detroit Free Press.

Designed as a feature of annual Michigan Week, the Hall of Fame will honor amateur and professional athletes who have brought distinction to the state.

Charter nominees to the hall will be voted on prior to Michigan Week, May 15-21.

Football TV Schedule For Next Fall Listed

NEW YORK (P)—The Big Ten Conference, which led the fight against the NCAA national game-a-week football television program, will be able to show its wares on TV on eight of the conference's nine Saturdays next fall.

The eight-game national program was announced Monday by the NCAA television committee and the National Broadcasting Company, which will telecast the national programs. Five Saturdays were left open for regional programs.

Four Big Ten teams are scheduled for national network appearances, two against non-conference opponents, and the regional dates are spaced so as to make a continuous eight-week program possible for regional viewers in the Midwest.

The national schedule:

Sept. 17 — Miami Fla., at Georgia Tech.
Sept. 24 — Regional date
Oct. 1 — Ohio State at Stanford
Oct. 8 — Regional
Oct. 15 — Notre Dame at Michigan State
Oct. 22 — Regional
Oct. 29 — Iowa at Michigan
Nov. 5 — Regional
Nov. 12 — Regional
Nov. 19 — UCLA at Southern California
Nov. 24, Thanksgiving — Texas at Texas A&M
Nov. 26 — Army vs Navy at Philadelphia
Dec. 3 — North Carolina at Duke

Lindsey Nelson and Harold (Red) Grange will be the commentators on the national series. NBC also plans to program regional games on the five available dates.

Bill Reed, assistant Big Ten commissioner, said it will be about two weeks before the conference football TV program is set up.

Plans For Softball Promotion Day Set

Plans were completed last night for the first Escanaba Softball Promotion Day to be held Saturday, April 23, and the opening date of the 1955 league season was set for May 8 at a general softball meeting at Holy Name High School gym.

A campaign to sell season tickets for all league games at Memorial Field will be conducted in Escanaba Saturday. The program is under the direction of Herb Flath and will be conducted by softball players, managers and Association officials with the help of business people throughout the city.

Dwindling gate receipts last season, plus mounting expenses in maintaining the Memorial Field diamond and spectator facilities led the Escanaba Softball Association to an attempt to stir fan interest this season.

Expect Big Season

The sale of tickets on an advance basis will help the Association raise finances needed to kick off the 1955 season. It will

also help get fans ready for the approaching season which officials feel will be one of the best in the long history of Escanaba softball.

The softball representatives, accompanied by a businessman, will tour the business places in the

WORKBEES CALLED

This year for the first time workbee dates will be assigned to league teams to work at Memorial Field. Northland Bread drew the first assignment for Wednesday evening at 6 and Manager Tom St. Germain has asked all team members to be on hand. Clairmont Transfer team will get the Thursday evening workbee, starting at 6:30.

city Saturday to offer the season tickets. Priced at \$3, the tickets will be good for all league games played during the season at Memorial Field.

If weather permits, the league will begin action on Sunday, May 8. That leaves three weeks for teams to get organized and hold practice sessions.

Next week teams will be on their own for practice sessions. The week of May 1-7 will be filled with scheduled practice games and the official opener will be on May 8.

Move Fences In

If weather prohibits opening the league on May 8, it will be postponed one week. The softball players felt it better to get started earlier if possible this season in order to avoid cold weather

Double By Mathews Clinches Braves Win

MILWAUKEE (P)—The Milwaukee Braves had a secure hold today on third place in the National League standings thanks to a 2-1 victory over the Chicago Cubs.

The Cubs occupied third spot going into Monday's game with the Braves.

Eddie Mathews doubled in the eighth to drive in two runs and push the Braves ahead.

Mathews' 400 foot double to center field scored Henry Aaron and pinch hitter Chuck Tanner. The blow ruined Warren Hacker's fine mound job.

The Cubs had held on to a 1-0 lead from the first inning, with Hacker and Buhl locked in a pitching duel. Lloyd Merriman scored the Chicago run when he walked to lead off, went to third on Gene Baker's single and came in when Frankie Baumholtz hit into a double play.

A sparkling catch by left fielder Bobby Thompson of the Braves cheated the Cubs out of a pair of runs in the sixth and enabled Mathews' double to cinch the contest.

Thomson leaped over the 4-foot fence a few feet away from the

and conflict with other activities late in the season.

A decision was made last night to move the outfield fences in from 250 feet to 240. Players and managers felt fans wanted to see more home runs at Memorial Field and the shorter distances to the fences should provide more circuit blows.

Progress is being made in improvements at the field, it was reported. Toilet facilities will be improved, the road around the field will be worked on and plans are being made to replace the pipe and fence along the first and third base lines.

Eight teams were represented at the meeting. Attending were players or managers from the Paper Mill, Harnischfeger, Northland Bread, Dells, Eagles, Clairmont Transfer, Gladstone Highway Tavern, and Bob Jensen's team which is not sponsored as yet.

Wolverine Football Call Draws Over 100

ANN ARBOR (P)—An eager 112 hopefuls turned out for spring football practice at the University of Michigan Monday.

Drills will continue until May 14.

Missing from practice because of other spring sports were such players as Ron Kramer, Tony Branoff and Tom Hendricks.

Other changes were evident. Mike Rotunno, an end last year, was working out with the fullbacks. Charlie Brooks, another end on last season's squad, worked out with the tackles.

Sports Briefs

BOWLING GREEN, Ohio (P)—Bowling Green State University defeated Wayne (Mich.), Monday in a home baseball opener.

Bowling Green pushed across the winning two runs in the bottom half of the ninth inning on an error, a wild pitch, a single and a double.

DETROIT (P)—The Detroit Lions of the National Football League have announced the signing of guard Jim Martin of Compton, Calif., to his fifth one-year contract. Martin, 6 feet - 2 and 220 pounds, is the 23rd player and the 11th team veteran to sign with the Lions for the 1955 season.

ITHACA, N. Y. (P)—The Kalamazoo College tennis team closed out its spring exhibition tour Monday with a 7-2 victory over Cornell. The victory gave Kalamazoo a 6-2 tour record.

MT. PLEASANT (P)—Jack Kenney pitched a no-hit, no-run ball game Monday as Eastern Illinois defeated Central Michigan, 5-0, in a seven-inning second game of a double header. Central Michigan won the opener, 2-0.

DETROIT (P)—Alma College scored a run in the second inning to defeat the University of Detroit, 1-0, Monday in a baseball game.

TOUGH COMPETITION

New York — (NEA) — Tony Canzoneri, Jack Dempsey and Mickey Walker, all former boxing champs, have restaurants within a block of each other on New York's Broadway.

Gene Poirer Looks Like Boxing Comer

By MURRAY ROSE

NEW YORK (P)—The name is Gene Poirer and mark it down if you're a fight fan. You're going to hear a lot more about this 23-year-old ex-platoon sergeant from Niagara Falls, N. Y.

Against Johnny Busso Monday night Gene exploded an overhand right against the 20-year-old New Yorker's jaw at 1:16 of the third round and Busso went down on his seat.

At five he staggered to his feet, helpless, and referee Mark Conn stopped the fight.

Sixth Straight
It was Poirer's sixth straight victory and his eighth kayo. The welterweight's service-interrupted record is 16-1 with two draws. It was the first time Busso has been stopped. His record now is 21-3-1.

Poirer was stopped in the first round by one Henry Hank on Aug. 3, 1954, his first fight after 21 months of service, 13 of them in Korea.

"I was out of shape and heavy—a middleweight," said Poirer, who weighed 144½ to Busso's 141½ Monday night.

Beat Welter Champ
Before he went into the Army, Gene outpointed Tony DeMarco, now the welterweight champion, in an eight rounder on May 15, 1952.

Milo Savage, a non-stop puncher from Salt Lake City, finished strong to win a unanimous 10-round decision over Chicago's Bobby Boyd in another network television bout at St. Nicholas Arena.

The votes for Savage were judge Dave Stewart 7-3, referee Harry Ebbets 6-3-1, and judge Artie Schwartz 5-4-1. Savage weighed 159½, Boyd 157½.

LANCOUR HONORED—Golden Gloves coaches, boxers and officials from all parts of Upper Michigan gathered at Manistique Saturday night to honor Harvard Lancour, outstanding U. P. amateur boxer who has been selected to tour England, Ireland and Scotland with a 10-man U. S. team. The banquet was held in St. Francis de Sales school hall, with Miles Betts,

of Marquette, and Leo Legacy, of Marinette, as principal speakers. The Rev. George Pernaski, at left, of Grand Marais was toastmaster. Lancour, second from left, is shown above receiving congratulations from Ed Toyra, veteran Manistique boxing instructor. At right is Kenneth L. Gunderman, of Escanaba, U. P. Golden Gloves tournament manager.

Showers On Tap For Marathon

BOSTON (P)—Reinaldo Gorno, a 36-year-old sanitation engineer from Buenos Aires, ruled a solid favorite today to maintain the recent monopoly of foreign foot-racers in the famed Boston A. A. marathon—but showery weather might be his undoing.

Gorno, second to Czechoslovakia's great Emil Zatopek when he broke the Olympic marathon mark in 1952, would prefer a sunny day with temperatures in the low 60's for this 26 miles, 385 yard grind from rural Hopkinton to downtown Boston.

The advent of showers boosted the chances of the other foreign stars to spring an upset. Sweden's lean, swift Gustaf Jansson—who lost by only an eighth of a mile to Gorno for second place in the last Olympics—was accorded a strong chance.

Others, benefitting from the threatening weather will be Finland's Paavo Kotila and Eino Pulkkinen.

Top United States hope is Nick Costes, a Natick, Mass., school teacher who placed ninth a year ago.

Wayne Finman Is Ping Pong Champ

Wayne Finman, young southpaw, won the Juvenile championship in the city table tennis tournament which opened at Club 314 last night.

Finman defeated his two brother Gary in two straight games, 21-19 and 21-16, for the championship. Wayne won over Harold Anderson and Mike Nordin to reach the finals. Gary posted wins over Tom Nordin and Craig Petersen. Barry Andrews and Paul Bureau were also entered in the Juvenile division.

Tonight at 7 Bob Anderson will meet Dave Nordin in the Junior division finals. Anderson beat Bob Gravelle to reach the championship round. Nordin won over Tom Ston and Jim McGovern for his championship berth. Dean Preaseau and Marvin Nault lost in first round matches.

Intermediate matches for boys 16 and 17 will be staged tonight, also starting at 7.

Softball

Phil Brazeau, manager of the Dells softball team, has called a practice session for Thursday evening. Team candidates will be welcome, he said. The squad includes Larry LaPlant, Zig Sheski, Pat Moran and Wally Flath.

The Umpire

By BEANS REARDON

24 Years in National League
Written for NEA Service
QUESTION: A runner on first base breaks for second. The batter foul tips the ball and it goes into the catcher's mitt. The receiver, noting that the runner has a big jump on him, allows the ball to drop. Does this mean the runner must return to first base?—Lou McMorrow.

Answer: This year umpires are making it a judgment play. If they feel the catcher dropped it intentionally, the runner is allowed to remain at second base if he successfully advanced there.

Q. How many major leaguers hit home runs in every park they played in last season? — Joseph Lowe.

A. Eight National Leaguers hit a homer in every park, but only Larry Doby of Cleveland accomplished this in the American League.

For the third consecutive year Al Ferrari was named the most valuable player on the Michigan State basketball team.

Loretto Drops From Tri County League; Six Teams Are Back

Loretto's Blackhawks, second place team in the Tri County baseball league last season, announced its withdrawal at last night's organization meeting held in Powers.

Withdrawal of Loretto from the Tri County League leaves six teams from last season available for entry this year. One of the teams, Perronville, was uncertain about entering and will make a final decision when the next league meeting is held soon.

Application of the Harris Indians was tabled until the next meeting. Teams back from last year are Daggett, Powers, Niagara, Hardwood and Bark River.

No representatives were at the meeting from Iron Mountain or Escanaba, two cities which had previously indicated an interest in the league.

Loretto's manager announced that the Blackhawks were dropping from the Tri County to seek entry in the Iron Range League.

League president Roy Bagley of Wilson was reelected to serve this year in the same capacity as was Frank Rodman of Hermansville, league secretary-treasurer.

Bagley said the league hopes to operate as an eight-team circuit this summer and any teams interested are welcome to attend the next league meeting.

The league will begin season play late in May, it was announced.

About 20 persons attended the meeting at Perry's Bar. Representatives from Daggett were Art Kayser and Howard Green. From Perronville, Stanley McInnis and John Bartoszek; Powers, Steward Perry, Milton Kell, Melvin Fazer and Coe Poquette; Niagara, Bob Marcoulier and John Beauchamp; Hardwood, Harold Charlevoix.

Bark River was not represented but sent word that it will rejoin the league this year. The Bark River won the league crown last season.

The Navy has one title defender. He is Clifton Eskridge of Cairo, Ill., and Little Creek, Va. Naval Training Station, the 112-pound king.

Cleveland's Hatchet Men Rugged For Pitching Foes

By ED WILKS
(By The Associated Press)
Cleveland's Indians have a real Murderer's Row—six hatchet men who keep swinging until they get the other guy's scalp.
If one slugger doesn't get the job done, the next guy might.
All of which gives manager Al Lopez the guaranteed payoff of a savings bond. With Al Smith, Bobby Avila, Larry Doby, Al Rosen, Ralph Kiner and Vic Wertz swinging for him, he's shooting for a second straight American League pennant with loaded dice.
Trucks Was Victim
Cleveland's hatchet men have

knocked in 29 of the Tribe's 36 runs this season, with the big four of the wrecking crew—Doby, Rosen, Kiner and Wertz—driving in 19.
What they can do to the opposition was evident on opening day. Chicago's Virgil Trucks bore down to fan Kiner with the bags loaded in the first, only to find Wertz next at the plate. Pertz singled home two runs and the tribe was off to a 5-1 victory.
Monday night at Kansas City, Ewell Blackwell got the treatment. He came on in the ninth for the A's, who had clubbed five homers themselves for an 8-0 lead after four frames. When Black-

well arrived, Cleveland had swung back to a mere 9-8 deficit.
Doby Slams Homer
A walk and a hit batsman put Blackwell in the hole. But he struck out Smith and got Avila to pop up. Then he had Doby to face. Blackwell got as far as a 3-2 count and the next pitch was swatted 375 feet over the right field fence.
That was it. Cleveland had it 11-8, moving to within half a game of the American League leader, Boston, which was idle.
There were only two games played in the league. The other, also a nighter, saw the New York Yankee's Whitey Ford set down Baltimore on three singles 6-0 as the Orioles, still winless, lost their sixth.

Looks Like White Sox Got Best Of Detroit In Swap Last Winter

CHICAGO (P)—"We don't want to crow yet," smiles the Chicago White Sox' General Manager, Frank Lane, "but that winter trade with Detroit is looking bigger and better to us every day."
In the exchange last December, Lane dispatched first baseman Ferris Fain and two minor leaguers to the Tigers for Walt Dropo, Bob Nieman and pitcher Ted Gray.
Gray Ready Soon
"Dropo and Nieman are doing for us what we hoped they would do," Lane beams. "And any time now you'll see Gray out there on the mound. He's been looking real good."
Gray, a lean lefty, won 58 games for the Tigers from 1948 through 1954.
First sacker Dropo, a hulking 6-5, 220-pound giant, is batting .313 and last Saturday slammed a 425-foot bases loaded homer that gave the Sox a 9-4 triumph over Cleveland.
Nieman Hitting .545
Nieman, who played for Sox Manager Marty Marion when he was skipper of the St. Louis

Browns, is batting a lofty .545. He has hit three homers and driven in five runs.
While Dropo and Nieman have come through in the Sox three victories in five games thus far, there has been a power failure among others.
George Kell, in the cleanup spot, has made only two hits in 16 turns. Jim Rivera, fifth in the batting order, is hitless in 17 trips. Minnie Minoso, batting third, has 4 for 20. Together, they have five RBIs.

Unusual Auto Enters '500'

LOS ANGELES (P)—Walter F. Strader has entered 1955's most unusual race car in the 500-mile Indianapolis race. It's so unusual Strader doesn't even know how to describe it.
"The engine is what's different," Strader, an ordained minister, inventor and mechanic, explained at his Los Angeles shop Monday night. "There's no way of comparing it to a regular engine."
Strader calls it a "planacircle" engine, and calls his car the "planacircle special." The engine looks something like an electric motor. "Everything in it moves in a circle," Strader said.
He isn't disclosing all the details of the engine's operation, but he explained this much:
It has no cylinders, no pistons, no valves, no crankshaft. It's air-cooled.
Strader said he has paid the \$500 entry fee, and officials of the 39th annual Indianapolis classic—although frankly puzzled by the builder's description—have accepted it. For the officials, Strader defined his power plant this way: "The fuel mixture is compressed in two combustion chambers through a system of rotors."
Strader, who formerly had an auto sales and service shop in Syracuse, Ind., built the engine himself and is finishing the car in a small Los Angeles shop.

Sports Roundup

(By The Associated Press)
Of the 119 homers hit in the majors in the first week of the season, National League batters walloped 68 and American League hitters 51.

Faye Throneberry, the outfielder the Boston Red Sox are depending on to replace Ted Williams, has 10 hits in 25 at bats for a .400 batting average. He's had four doubles, three home runs, driven in 12 runs and scored 12.

There seems little doubt that Roy Campanella's injured left hand no longer is troubling him. The burly Brooklyn catcher has rapped out nine hits, including three doubles and two homers. Campy's batting .346 and slugging .692.

Gene Woodling, the ex-Yankee who was supposed to pep up the Baltimore Orioles, has only three hits in 23 times at bat for a dismal .130 average.

Detroit's Harvey Kuenn, who was the American League "rookie of the year" in 1953 is batting

.400 with 10 hits, including two doubles and two homers.

Nellie Fox, the White Sox' veteran second baseman who tied Kuenn for most American League hits in 1954 (201), also is off to a fast start with 19 safeties in 22 trips for a .455 average.

Yesterday's Stars

(By The Associated Press)
Larry Doby, Cleveland Indians—Hit a 3-2 pitch with two out in the ninth inning for a three-run homer as the Indians nosed out the Kansas City Athletics 11-9.
Whitey Ford, New York Yankees—Allowed three singles and struck out six as he recorded his second victory with Yankees, blanking the Baltimore Orioles 6-0.

Johnny Logan Looks For Hits

MILWAUKEE (P)—The National League's top fielding shortstop believes "you gotta hit to make money." That's one good reason Johnny Logan of the Milwaukee Braves carries a fat .591 plate average after Milwaukee's first half dozen games of 1955.

He's currently the hottest major league regular at bat, having 13 hits in 22 trips, including a pair of home runs.

Logan, who has led the National League shortstops on the field for the last three years in a row wound up the 1954 season with a .275 batting average.

"I usually finish with .275-.280 or so but this might be my year," Logan said Monday.

He's using a bat of the same weight and length he used last year. If his big average is traceable to any single factor—besides luck, says Logan—it's that he's keeping both eyes on the pitcher.

Braves' coach Johnny Cooney explained that Logan occasionally would pivot his shoulders around so far—"aiming to really slug the ball"—that he was able to watch the pitcher out of just one eye.

"We watch all the boys on that," Cooney said.

Summer Tan Colt Tabbed Most Likely To Succeed

By JOHN CHANDLER
NEW YORK (P)—Summer Tan is the colt voted by many horsemen as "most likely to succeed" as a 3-year-old, although he was beaten three out of four times last year by Nashua, the 1954 2-year-old champion.

The bay son of Heliopolis-Miss Zibby rattled off a 14-length victory in his 1955 debut at Jamaica April 4, then ran a mile in 1:37 at Jamaica Monday.

Meet In Derby

Summer Tan gets his first big test as a 3-year-old Saturday against Nashua in the \$100,000-added Wood Memorial at Jamaica. Two weeks later they meet again in the world famous Kentucky Derby.

Now second choice to win the Derby May 7, Summer Tan's bloodlines are famous in the Louisville classic. Miss Zibby is a daughter of Omaha, who won the 1935 Derby, and Omaha's Daddy was Gallant Fox, the 1930 Derby hero. Both swept the Derby-Preakness-Belmont triple crown.

Summer Tan's granddaddy, the great English sire Hyperion, sired

Pensive, the 1944 Derby champ. Pensive in turn sired Ponder, who won the Churchill Downs classic in 1949.

Second To Nashua

Last year Summer Tan ran second to Nashua in the Juvenile, Hopeful and Belmont Futurity, never losing by more than half a length in three terrific duels. He beat Nashua in the Cowdin Stakes, and set an Aqueduct track record.

Then, with Nashua retired for the year, Summer Tan fairly flew through the rain and slop to capture the \$269,965 Garden States—the world's richest horserace.

Lost Flier Lands In Busy Traffic

HUNTSVILLE, Tex. (AP)—How do you land an airplane at night on a busy highway?

"When I saw an opening in the traffic I just put her down," said crop duster pilot W. A. Fowler.

Hopelessly lost in a new four-place Piper cruiser, Fowler landed Sunday on a busy trunk highway in the Huntsville suburbs—five blocks from the business district.

Police arrived in time to help him push the plane from the highway.

"I was the most losted guy you ever met in your life," said Fowler, 30, of San Antonio.

He was flying from Knoxville, Tenn., where he got the plane, to San Antonio. He plans to convert it into a duster. After leaving Shreveport, La., his radio went dead.

His next stop was Bryan Air Force Base, Tex. When he failed to arrive on schedule, the base put out an alert for him.

Two Huntsville police spotted Fowler's plane. It was circling town. They decided to turn on the airport runway lights.

But Fowler didn't even know what town he was over, much less where the airport is.

Before the policemen reached the airport, he set his plane down on the north-bound lane of US-75, the main Dallas-Houston highway. He explained:

"I could see the lights of the cars. I knew about where the power lines were. So when I saw an opening in the traffic I just put her down."

Each cubic mile of sea water contains 4½ million tons of magnesium.

Workshop Patterns by Ruth Wyeth Spears

The unusual features of these figures are the natural coloring and life-like action poses. No special skill is needed for painting. The areas for the different colors are traced and then filled in as indicated on the pattern. The graduation of tone gives a most realistic effect. Use ordinary oil colors or poster colors. The latter are much cheaper but the work must be waterproofed with a coat of shellac. Mixing formulas and painting routine are given on the pattern which is 25c. Also this pattern is included in the packet of patterns for making lawn and garden figures. The price of the packet is \$1 postpaid. Address order to—

Auto And Plow Given Dr. Salk

AMARILLO, Tex. (AP)—Folks around here shelled out \$22,251.29 Sunday to fight cancer—but they didn't forget Dr. Jonas Salk, who developed the polio vaccine.

They plan to send the University of Pittsburgh researcher a new car and a plow.

A "telethon" by radio and TV was held 6½ hours to raise cancer funds. Among many items donated was a new Oldsmobile. A listener, Jim Pearson, suggested the car to Salk as an appreciation gesture.

KGNC and KGNC-TV announcers asked the public's reaction. Viewers and listeners said they liked the idea.

Then a farm equipment company donated a plow to Salk. However it was learned from Pittsburgh that he does not have a farm.

PAY AS YOU ENTER

PITTSBURGH (AP)—The Pittsburgh Railways Co said it was shocked to learn many commuters who ride its trolleys only a few blocks in the business district were under the impression the ride was free.

A checkup showed many persons entered and left by the side doors. Now, the company keeps the side door closed in the business district. Passengers pay as they enter.

New Jelly-Like Formula Knocks Baked Grease Off Oven Surfaces

"ITS" is the name of a new oven cleaner that restores oven surfaces to grease-free newness without scraping or scrubbing.

The substance is brushed on, allowed to stand, then wiped clean with water.

"ITS" oven cleaner is available at The Fair Store for \$1 and this includes a plastic brush. "ITS" is non-inflammable and spectacular in performance. 3rd Floor The Fair Store.

Hornbrook Retires From State Police; Served 25 Years

LANSING (AP)—The State Police announced the retirement of Sgt. Warren H. Hornbrook, commander of the Jonesville post, retiring after 25 years of service.

Corp. Frederick B. O'Donnell of the Ypsilanti post was promoted to sergeant and assigned to command of the Clinton post.

Sgt. Hornbrook has served at posts in Grand Haven, Ypsilanti, Bay City, East Lansing, St. Clair, Battle Creek, Paw Paw and Iron Mountain.

Make every minute count—but don't try to count them twice.
